Hello Tanya,

Thank you for getting back to me so quickly. I want everything in my F1 report to be totally accurate & I thought it was until I looked at it yesterday. There are two inaccuracies that I want to correct. One is an address that is completely unknown to me in Lynnwood that I have no idea how it became a part of my F1 report.

Under my husband's name, Dale Button, in the Income section, it has the following address listed, which is wrong:

18905 33rd Avenue West  
Lynnwood, WA 98036

Our home address is:

3501 Robertson Road  
Bellingham, WA 98226

The other inaccuracy is in the Real estate section. Dale & I own our home free & clear. Why this is not on the report is another mystery to me. It is strange to me that these two sections are not at all what I remember reporting.

As I said, my goal is to be 100% accurate.

Please let me know the next steps I need to take to make sure that I am in complete compliance. I am a person who likes to dot all my I's and cross all my T's.

Respectfully,  
Nancy Button
