Complaint Description
Terry E. Parker reported via the portal (Tue, 27 Feb 2024 at 11:57 AM) The offending video can be viewed here: https://twitter.com/reichert4gov/status/1762313688730779998
What impact does the alleged violation(s) have on the public?
The candidate ad features several county Sheriffs in Washington State who are clearly using public spaces, while in uniform, to endorse a political candidate. These provide the false impression their agencies, thus government, endorse the candidates, rather than just the individuals. The use of the facilities and providing the false impression are both violations of RCW.
