Committee to Elect Rylee Fleury

Respondent.

PDC Case No. 158645

Report of Investigation

**I. Background, Complaints, and Allegations**

**Background**

- 1.1 In 2024, Rylee Fleury was a candidate for County Commissioner, Position 1, in Skagit County. On May 24, 2024, Mr. Fleury registered a candidate committee with the Public Disclosure Commission (PDC) for the purpose of supporting his campaign. On June 3, 2024, the registration was amended to reflect that he was the candidate, the committee's name was changed to the "Committee to Elect Rylee Fleury" (the Committee), and the officers of the Committee were updated. Mr. Fleury appeared on the ballot for both the primary and general elections, and he lost the 2024 general election.

**Complaints Received**

- 1.2 On July 19, 2024, Public Disclosure Commission Staff (PDC Staff) received a complaint, #157006, from Conner Edwards alleging Mr. Fleury failed to timely file the 21-day pre-primary *Receipts & Expenditure Summary* (C-4) report, as required by RCW 42.17A.235 and RCW 42.17A.240. **[Exhibit 1 at Pgs. 1-9]**
- 1.3 On August 25, 2024, PDC Staff received a complaint, #158571, from Keith Tacker alleging the Committee failed to timely report either an in-kind contribution or an expenditure for political advertising (POLAD), in violation of RCW 42.17A.235 and RCW 42.17A.240. The complaint also alleged that the Committee's signs failed to include the candidate's party preference and sponsor identification, as required by RCW 42.17A.320. **[Exhibit 1 at Pgs. 10-13]**

- 1.4 On September 11, 2024, the PDC received a second complaint from Mr. Edwards, #159130, alleging Mr. Fleury failed to file the post-primary C-4 report, as required by RCW 42.17A.235 and RCW 42.17A.240. **[Exhibit 1 at Pgs. 14-23]**
- 1.5 On October 30, 2024, the PDC received a third complaint from Conner Edwards, #161538, alleging Mr. Fleury failed to file the 7-day pre-general C-4 report, as required by RCW 42.17A.235 and RCW 42.17A.240. **[Exhibit 1 at Pgs. 24-32]**
- 1.6 On November 26, 2024, the PDC received a complaint, #162787, from Wim Houppermans alleging the Committee did not report in-kind contributions for a POLAD, as required by RCW 42.17A.235, RCW 42.17A.240, and WAC 390-16-207. A commercial vehicle had POLADs displayed on both sides of the box truck and was utilized throughout August at various locations in Skagit County. Mr. Houppermans also alleged a violation of RCW 42.17A.405 and WAC 390-16-308, for accepting contributions in excess of contribution limits. Mr. Houppermans further alleged a violation of RCW 42.17A.235, RCW 42.17A.240, RCW 42.17A.435, and WAC 390-16-308 on the grounds that the Committee did not timely and accurately report the actual source of contributions it received. **[Exhibit 1 at Pgs. 33-40]**

### **Communications with Respondent**

- 1.7 Between August 2024 and December 2024, PDC Staff (Staff) communicated with Mr. Fleury and the Committee and sent all complaints to [ryleeforskagit@gmail.com](mailto:ryleeforskagit@gmail.com), the email address identified on the Committee's Candidate Registration (C-1). **[Exhibit 2]**
- 1.8 August 28, 2024, Staff notified Mr. Fleury about the complaint from Keith Tacker and requested a response to the complaint by September 11, 2024. Staff received a response on September 10, 2024. The response indicated that Mr. Fleury believed the political advertising outlined in the Tacker complaint to be provided by a "private citizen" and installed on an unnamed "landowners" property. He did not view the political advertising as either a campaign expenditure or as an in-kind donation because the "banner(s) is an act of free speech by a private individual (not me)." Also on September 10, 2024, Mr. Fleury provided an affidavit from Michael McDaniel, the purchaser and owner of the signs. **[Exhibit 2 at Pgs. 5-9]**
- 1.9 September 16, 2024, Staff notified Mr. Fleury about the first and second complaints, from Conner Edwards, and gave a deadline to respond by September 23, 2024. On September 20, 2024, Mr. Fleury responded that the complaints "do not seem to have anything to do with me." Staff reached out on September 27, 2024, explaining the complaints were related to the Committee's late reporting and that the 21-day pre-primary and post-primary C-4 reports remained missing. **[Exhibit 2 at Pgs. 10-11]**
- 1.10 Because action was not being taken by the Committee to address alleged reporting issues or provide staff requested information about alleged political advertising by the

Committee, on October 3, 2024, Staff notified Mr. Fleury of an Initial Hearing scheduled for October 8, 2024, at 11:00 a.m. **[Exhibit 2 at Pgs. 12-14]**

- 1.11 October 8, 2024, Staff conducted an Initial Hearing, and Mr. Fleury was in attendance. During the hearing, Staff explained to Mr. Fleury what his responsibilities were as the candidate for the timely and accurate reporting of his Committee's activity, what reporting remained outstanding, how he could get his reporting into compliance with PDC requirements, and PDC expectations that substantive progress would occur within 45 days.

Staff and Mr. Fleury also discussed the political advertising described in the Tacker complaint, #15857. Staff told Mr. Fleury they would be reaching out directly to Mr. McDaniel for more information about the advertising and requested Mr. McDaniel's contact information. Mr. Fleury did not offer any further information regarding the property owner where the political advertising was installed.

Following the hearing, Staff followed up by email with Mr. Fleury again outlining the specific C-3 and C-4 reports that were outstanding, how to get technical support from Staff if help was needed with submitting reports in the Online Reporting of Campaign Activity (ORCA) system, and that Mr. McDaniel's contact information was needed. **[Exhibit 2 at Pgs. 15-17]**

- 1.12 October 25, 2024, Staff contacted Mr. Fleury again requesting contact information for Mr. McDaniel **[Exhibit 2 at Pg. 18]**
- 1.13 On October 31, 2024, Staff notified Mr. Fleury of a third complaint, from Conner Edwards. **[Exhibit 2 at Pg. 18]**
- 1.14 October 31, 2024, Staff contacted Mr. Fleury and informed him that Staff reviewed his campaign website **[Exhibit 3]** and found the political advertising was missing sponsor identification, as required by RCW 42.17A.320. Staff gave Mr. Fleury a deadline of November 4, 2025, to update the website with sponsor identification. **[Exhibit 2 at Pg. 19]**

Staff also informed Mr. Fleury that the political advertising at issue in the Tacker complaint, #15857, was confirmed to be installed at 13027 Young Road, Mount Vernon, WA, in Skagit County. Larry Jensen, the Committee Assistant and Ministerial Treasurer (the Committee Treasurer), owns the property. Staff requested confirmation by Mr. Fleury that the location of the political advertising was correct. **[Exhibit 2 at Pg. 20]**

- 1.15 Although Tim Garrison was identified as the official Committee treasurer, he never signed any of the C-3 and C-4 reports submitted by the Committee and never responded to any of the complaints or to requests for information by PDC Staff. Although Mr. Larry Jensen was identified on the Registration as a "Committee Assistant and Ministerial Treasurer," and therefore ostensibly someone with less authority than Mr. Garrison, Mr. Jensen signed and submitted all of the C-3 and C-4 reports submitted by the Committee. Because of this, Staff believe that, together with the candidate, Mr. Jensen was the person most responsible

for the Committee's decision making as it pertained to campaign reporting. Initially PDC Staff only had contact with Mr. Fleury but after the election, starting in November 2024, Staff primarily communicated with Mr. Jensen about outstanding reporting issues.

- 1.16 On November 1, 2024, Mr. Fleury provided contact information for Michael McDaniel. Staff acknowledged receipt and again requested confirmation for the location for the political advertising at issue in the Tacker complaint. The email from Mr. Fleury on November 1, 2024, was the last time staff heard directly from Mr. Fleury, and he never confirmed the location of the advertising. **[Exhibit 2 at Pg21]**
- 1.17 Between November 7 and 14, 2024, Staff conducted outreach with Mr. McDaniel regarding the political advertising that he provided to Rylee Fleury. Mr. McDaniel responded on November 13, 2024, but did not provide the requested costs for the political advertising. **[Exhibit 4]**
- 1.18 November 7, 2024, Staff again requested, from Mr. Fleury, confirmation of the address and name of the property owner for the political advertising at issue in the Tacker complaint. **[Exhibit 2 at Pg. 21]**
- 1.19 November 13, 2024, Staff informed Mr. Fleury that the 7-day general C-4 report and C-3s for contributions received after October 21, 2024, were missing and past due. Staff also reminded Mr. Fleury to file the post-election C-4 report due on December 10, 2024, and the end of election C-4 due on January 10, 2025. **[Exhibit 2 at Pg. 21]**
- 1.20 On November 15, 2024, Staff conducted outreach to Committee treasurer Larry Jensen regarding the political advertising installed on his property. Staff also reminded Mr. Jensen about his responsibilities as treasurer of Mr. Fleury's Committee. Mr. Jensen responded on November 18, 2024, but did not provide the requested costs for the political advertising installed on his property nor did he update the Committee's reporting. **[Exhibit 5]**
- 1.21 November 19, 2024, Staff contacted Mr. Fleury and informed him that his reporting was missing in kind contributions, per WAC 390-16-207, for political advertising paid for by Mr. McDaniel and displayed on the property of Mr. Jensen. Mr. Fleury did not respond and did not update the reports. **[Exhibit 2 at Pg. 22]**
- 1.22 On November 22, 2024, Staff served Mr. McDaniel with a Subpoena to Testify and Subpoena Duces Tecum. The notice was emailed to Mr. McDaniel at [mike@idealrentall.com](mailto:mike@idealrentall.com) and mailed to the address 919 East College Way, Mount Vernon, WA 98273. Mr. McDaniel was required to provide materials no later than December 2, 2024, and to appear for an interview on December 6, 2024. Mr. McDaniel did not respond to the Subpoena Duces Tecum, nor did he appear for the interview. **[Exhibit 6]**
- 1.23 Also on November 22, 2024, Staff served Mr. Jensen with a Subpoena to Testify and Subpoena Duces Tecum. The notice was emailed to Mr. Jensen at [lrayjensen@hotmail.com](mailto:lrayjensen@hotmail.com) and mailed to the address 15356 Produce Lane, Mount Vernon, WA 98273. Mr. Jensen was required to provide materials no later than December 2, 2024, and to appear for an

interview on December 6, 2024. On November 25, 2024, Mr. Jensen responded in writing but did not provide the requested materials outlined in the Subpoena Duces Tecum, nor did he appear for the interview. **[Exhibit 7]**

- 1.24 December 3, 2024, Staff notified Mr. Fleury of a fifth complaint, this one from Wim Houppermans. Mr. Fleury did not respond. **[Exhibit 2 at Pg. 23]**
- 1.25 September 10, 2025, Staff notified Mr. Fleury that the PDC intended to take Mr. Jensen to a hearing for matters related to campaign contributions and Committee reporting. Staff requested that Mr. Fleury encourage Mr. Jensen to work with staff to address remaining outstanding contribution and reporting issues. **[Exhibit 2 at Pg. 25]**

A C-3 for contributions deposited on July 31, 2024, was originally submitted timely but was amended on August 1, 2024, and amended again on May 5, 2025.

Report #	Total Funds Rcv'd	Notes

A C-3 report (#110283617) for a contribution deposited on July 31, 2024, due August 5, 2024, was submitted nine months late on May 9, 2025. This C-3 reported a contribution from Linda Fussell for \$300. This reporting corrected the contributor's name for a contribution originally made in the name of "Peers Constitutional Study and Lecture Session."

2.1.3 A C-3 report (#110251156) for deposits on August 28, 2024, due September 2, 2024, was submitted six weeks late on October 12, 2024. This C-3 reported \$5,165 in contributions received. As part of the investigation, the report was amended, a year and two weeks late, on September 19, 2025, to change the identity of a contributor of \$1,200 from "Savi Bank VP" to "Lori Bouza."<sup>1</sup>

2.1.5 Late submitted C-3 reports for November were as follows:

Report #	Deposit Date	Rpt Due Date	Rpt Submit Date	Total Funds Rcv'd
110283179	11/04/24	11/11/24	5/07/25	\$1,200

			<b>TOTAL</b>	<b>\$2,500</b>

2.1.6 A C-3 report (#110284452) for a deposit on December 23, 2024, due January 10, 2025, was filed 4 months late on May 12, 2025. This C-3 showed a loan of \$97.25 from the Committee treasurer, Larry Jensen. The \$97.25 was meant to deal with the campaign account being over-draft. If a candidate has debt, the candidate is allowed to continue accepting contributions until December 31 of the election year. For candidates subject to contribution limits, contribution limits apply.

2.1.7 A C-3 report (#110284485) was submitted on May 12, 2025, for a deposit made on May 10, 2025. General election contributions, unless from the candidate’s personal funds, must be made on or before December 31 of the election year. This C-3 report identified a contribution from Derrill Fussell for \$247.50. The report was amended on the same day, May 12, 2025, by report #110284746, which zeroed out the deposit. The contribution from Mr. Fussell does not appear anywhere else in ORCA, and the Committee indicated in the amended report that the previous report was filed in error, and no deposit was made.

2.1.8 A second C-3 report (#110284492) was submitted on May 12, 2025, for a deposit on May 10, 2025. The report identified a loan from Mr. Jensen for \$150. The report was amended numerous times on May 12, 2025, which zeroed out the deposit. In the months leading up to the reporting of the \$150 loan deposited on May 10, 2025, PDC Staff had been working with Mr. Jensen on prior over-limit contribution issues.

2.1.8.1 On August 27, 2024, Mr. Jensen made a cash contribution to the Committee for \$150 that took him over contribution limits<sup>2</sup>. On March 12, 2025, Mr. Jensen told PDC Staff that the \$150 over-limit contribution, made on August 27, 2024, “should be classified as a loan.” [Exhibit 8 at Pg. 4] Then on May 11, 2025, Mr. Jensen notified PDC Staff that: “We will be filing some more corrections, changes, and responses on Monday. I am convinced that donations from my multiple entities<sup>3</sup> are entirely without violation. The one from me was refunded by the campaign in the amount of \$247.25 and I

<sup>2</sup> See Allegation #4, section 2.7, for more information about this contribution.

<sup>3</sup> The “donations from my multiple entities” that Mr. Jensen referred to in his May 11, 2025, statement are related to his numerous business entities that collectively donated \$3,820 in the primary election and \$8,900 in the general election to the Committee. In the Houppermans complaint, #162787, there was an allegation that these donations constituted an over-limit contribution from Mr. Jensen to the Committee. However, Staff investigated and concluded that there was no violation.

will submit that information tomorrow to clear up the amount to cover the overdraft \$97.25 and \$150.00.” **[Exhibit 8 at Pg. 5]**

2.1.8.2 On May 12, 2025, Mr. Jensen attempted to address the over-limit contribution by reporting a loan, identified above. He then amended reporting and the loan disappeared from the record, but the \$150 over-limit contribution remained. On May 29, 2025, Mr. Jensen corresponded with Staff and stated that his \$97.25 loan and \$150 over-limit contribution were paid back by the candidate. **[Exhibit 8 at Pg. 6]**

2.2 Staff reviewed the mandatory C-4 reporting by the Committee and found the following **[Exhibit 12]:**

- 2.2.1 The Primary 21-Day C-4 report, #110234714, for the period June 1 to July 15, 2024, was due on July 16, 2024. It was submitted fifteen days late on July 31, 2024. The report identified \$4,143 in receipts and \$4,004 in expenditures.
- 2.2.2 The Primary 7-Day C-4 report, #110234699, for the period July 16 to July 29, 2024, was due on July 30, 2024. It was submitted one day late on July 31, 2024. The report identified \$2,039 in receipts and \$2,136.79 in expenditures.
- 2.2.3 The Post-Primary C-4 report, #110251164, for the period July 30 to August 31, 2024, was due August 30, 2024. It was submitted six weeks late on October 12, 2024. The report identified \$6,520 in receipts and \$1,511,65 in expenditures.
- 2.2.4 The General 21-Day C-4 report, #110253328, for the period September 1 to October 14, 2024, was due on October 15, 2024. It was submitted one day late on October 16, 2024. The report identified \$11,685 in receipts and \$9,683.03 in expenditures.
- 2.2.5 The General 7-Day C-4 report for the period October 15 to 28, 2024, was due October 29, 2024. It was not submitted. See 2.2.8 below for reporting submitted for the October period.
- 2.2.6 The Post-General C-4 report for the period October 29 to November 30, 2024, was due December 10, 2024. It was not submitted. See 2.2.8 below for reporting submitted for the post-general period.
- 2.2.7 The End Of Election Cycle C-4, for the period December 1 to December 31, 2024, was due on January 10, 2024. It was not submitted. See 2.2.8 below for reporting submitted for the December period.
- 2.2.8 A C-4 report, #110284449, for the period of October 15, 2024, to December 31, 2024, was filed on May 12, 2025. The report was submitted 6.5 months after the election cycle ended on December 31, 2024. The reported data included dates in periods for the 7-day (due October 29, 2024), and the post-general (due

December 10, 2024) that had due dates before the end of the election cycle, and also the end-of election report (due January 10, 2024). The report identified \$1,647.25 in receipts and \$8,898.72 in expenditures. The report also indicated the campaign was over-drawn by \$1,097.25, which matches the amount of loans reported to the Committee.

- 2.2.9 On September 19, 2025, C-4 report #110315179, was submitted for the period of January 1, 2025, to May 31, 2025, showing an in-kind contribution from Rylee Fleury to the campaign for “Repayment of loan \$97.25 / over contribution of \$150 by Larry Jensen.”
- 2.3 Staff reviewed the reporting and determined the Committee raised \$31,541.87 and expended \$29,339.15. This does not account for in-kind contributions related to unreported political advertising.

**Allegation #2: Failure to Report the Purpose of Expenditures in Violation of RCW 42.17A.240(7) and WAC 390-16-037**

- 2.4 The Committee reported multiple expenditures for printed materials including signs, banners, postcards, brochures, bumper stickers, and canvassing literature that did not include the quantity of items purchased. Staff notified the Committee about the requirement to provide the quantity in the reporting, but to date the reporting has not been amended by the Committee to include this required information. The total expenditure for these items was \$16,758.54. **[Exhibit 10]**
- 2.5 The Committee reported expenditures for media buys including newspaper advertising in the La Conner News totaling \$450, “TV Time” for a vendor named Strong Impressions totaling \$2,073, and streaming ads from Strong Impressions for \$5,000. Staff explained to the Committee about the expenditure description requirements, but the reporting has to date not been amended by the Committee to include the date the ads were first broadcast or published. **[Exhibit 10]**

**Allegation #3: Accepting Over-Limit Contributions in Violation of RCW 42.17A.405(2) and WAC 390-16-310(4)**

- 2.6 A candidate committee subject to contribution limits is prohibited from accepting aggregate contributions from the same contributor exceeding \$1,200 per election. On August 27, 2024, the Committee accepted a cash contribution from treasurer Larry Jensen in the amount of \$150, reported on C-3 report #110251156. On October 7, 2024, the Committee accepted a cash contribution from Valley Investments, a sole proprietorship owned by Mr. Jensen, in the amount of \$1,200, reported on C-3 report #110251159. Contributions from sole proprietorships are considered to be contributions of the owner. On December 23, 2024, the Committee accepted a cash loan from Mr. Jensen in the amount of \$97.25, reported on C-3 report #110284452. Thus, Mr. Jensen contributed an aggregate of \$1,447.25, or \$247.25 over the contribution limit. The over-limit contributions were not

fully addressed until May 29, 2025, when Mr. Jensen informed Staff that the Committee repaid the \$97.25 loan and the \$150 over-limit contribution. **[Exhibit 8]**

On September 19, 2025, the Committee submitted C-4 report #110315179 disclosing a \$247.25 in-kind contribution from Rylee Fleury to his campaign. The in-kind contribution was for repayment of \$97.25 loan and \$150 cash contribution from Mr. Jensen. PDC reporting in ORCA continues to reflect the \$150 cash contribution and the \$97.25 loan from Mr. Jensen to preserve the committee's reporting record. **[Exhibit 12 at Pg. 20]**

**Allegation #4: Failing to Report In-kind Contributions in Violation of RCW 42.17A.240(2), WAC 390-16-207 and WAC 390-05-210(3) resulting in the Filing of False Receipts & Expenditure Summary (C-4) Reports in Violation of RCW 42.17A.145**

- 2.7 On August 25, 2024, the PDC received a complaint alleging failure to report contributions or expenditures related to two campaign signs on Highway 20 in Skagit County, located at the address 13027 Young Road. One sign was approximately 10'x40' and the other was 20'x40' and were in support of the Rylee Fleury campaign. The signs are determined to be political advertising as defined in RCW 42.17A.005(40) **[Exhibit 1 at Pgs. 12-13]**.

Staff investigated the allegation and based on available evidence, the political advertising appears to have been coordinated between the Committee, Mr. Michael McDaniel and Mr. Jensen. As described in Mr. Fleury's September 9, 2024, response to the Tacker complaint, there was a verbal agreement between Mr. McDaniel (aka a private citizen) and Mr. Jensen (aka landowner) for use of property owned by Mr. Jensen for the purpose of displaying political advertising provided by Mr. McDaniel. Mr. Fleury explained that "the banners were even erected using this private citizen's [i.e. Mr. McDaniel's] own equipment" and that he "was invited to watch the banners be erected." Staff understood this to mean that Mr. Fleury had actual knowledge about planning and expenditures related to political advertising. **[Exhibit 2 at Pg. 5]**

On September 10, 2024, Mr. Fleury provided a signed affidavit from the "purchaser and owner of the signs," Mr. McDaniel. **[Exhibit 2 at Pgs. 6-9]** In the affidavit, Mr. McDaniel indicates the advertising was first displayed on or about August 1, 2024. Mr. McDaniel confirmed that he had an arrangement with the landowner, that he was responsible for the banner signs, and that he supplied the equipment used to erect the signs.

On September 27, 2024, Staff notified Mr. Fleury that the signs were political advertising and that his Committee, or Mr. McDaniel, had a requirement to report costs associated with advertising. **[Exhibit 2 Pg. 11]** On October 31, 2024, Staff asked Mr. Fleury for confirmation that the location of the political advertising was land owned by Mr. Jensen, the Committee Treasurer. **[Exhibit 2 at Pg. 20]** Mr. Fleury never responded to that question, but on October 31, 2024, Complainant Keith Tacker, provided the address for where the political advertising was located, and Staff confirmed by using Google Maps the advertising was located at the address provided by Mr. Tacker. **[Exhibit 13 at Pgs. 1-4]** Staff also confirmed the owner of the property using the Skagit County Auditor's Office

parcel search tool. **[Exhibit 13 at Pgs. 5-6]** November 13, 2024, Mr. McDaniel also confirmed the signs were erected on “Larry Jensen’s farm visible from State Road 20.” **[Exhibit 4 at Pg 2]**

Per WAC 390-05-210(3) an expenditure made by a person in cooperation, consultation, concert, or collaboration with, or at the request or suggestion of a candidate, or the candidate’s authorized committee or agent, is a contribution to such candidate. In the case of the banners and use of equipment to erect political advertising, the costs and/or fair market value should have been reported as an in-kind contribution from Mr. McDaniel to the Committee. Because requested cost and fair-market value were never disclosed to Staff, it cannot be determined if reporting should have been submitted prior to the August 6, 2024, primary election. However, at the latest, based on the known date the political advertising was displayed, the contribution(s) from Mr. McDaniel should have at least appeared on the Post-Primary C-4, #110251164, covering July 29 to August 31, 2025, due September 10, 2025. The C-4 was not submitted by the Committee until October 12, 2024, and the in-kind contribution(s) were never reported by the Committee. **[Exhibit 12 at Pgs. 11-12]**

2.8 Based on the available evidence, the Committee knowingly kept from the public the costs associated with the political advertising provided by Mr. McDaniel. The Committee also tried unsuccessfully to obfuscate the identities of the people that provided and coordinated the political advertising, Mr. McDaniel and Mr. Jensen. On September 10, 2024, Mr. Fleury responded to the Tacker complaint by stating:

2.8.1.1 The “banners were not purchased by me or my campaign, nor were they gifted to me in any way.”

2.8.1.2 He goes on to distance himself and his campaign from the political advertising by claiming that his “understanding of the situation ... is that a private citizen in Mount Vernon had heard that the landowner who owns the property that the banners are located at was dealing with persecution from the County government.”

2.8.1.3 Mr. Fleury’s purported understanding of the situation seems to hinge on his perspective that the banners were “an act of free speech by a private individual (not me)” and therefore did not require compliance with applicable laws and rules. **[Exhibit 2 at Pg. 5]**

2.8.2 Mr. Fleury then provided a signed affidavit from Mr. McDaniel to identify the person providing the political advertising. The affidavit stated:

2.8.2.1 “On or about August 1, 2024, I voluntarily caused to be erected banner signs on private property alongside Highway 20 approaching Anacortes, WA. One signed measured approximately 40’x20’, and the other 40’x10’.”

2.8.2.2 He further states “these signs express my personal political views and preference for candidate Fleury.”

2.8.2.3 “These signs and associated actions represent my personal expression of free speech.”

- 2.8.2.4 “I respectfully assert that my personal political expression, conducted without coordination with or contribution to a campaign, falls outside the scope of PDC regulations governing campaign finance and disclosure.” **[Exhibit 2 at Pgs. 6-5]**
- 2.8.3 Staff confirmed that Michael McDaniel, who provided the affidavit discussed above, was the “private citizen” discussed in Mr. Fleury’s response and is the owner of Ideal Rent-All of Mount Vernon. On November 7, 2024, Staff reached out to Mr. McDaniel requesting information about the associated costs for the banners and the use of equipment to erect the advertising. On November 13, 2024, Mr. McDaniel responded and declined to provide the requested information. On November 22, 2024, Staff subpoenaed Mr. McDaniel, demanding information, documentation, and a recorded interview. Mr. McDaniel again declined to provide the requested materials or appear for the interview. **[Exhibit 4 and Exhibit 6]**
- 2.8.4 Staff determined Larry Jensen, the treasurer of the Committee, was the “landowner” discussed in Mr. Fleury’s response. On November 15, 2024, Staff contacted Mr. Jensen and notified him about the reporting requirements for the political advertising. In correspondence dated November 18 and 25, 2024, Mr. Jensen responded but declined to provide the requested information or make changes to the Committee’s reporting. On November 22, 2024, Staff subpoenaed Mr. Jensen demanding information, documentation, and a recorded interview. Mr. Jensen declined again to provide the requested materials or appear for the interview. **[Exhibit 5 and 7]**
- 2.8.5 On November 19, 2024, Staff notified Mr. Fleury that Mr. McDaniel and Mr. Jensen had been contacted and that information related to political advertising was requested from them and not provided. Staff again informed Mr. Fleury of his responsibility to ensure that reporting for his Committee was complete and accurate. **[Exhibit 2 at Pg. 24]**
- 2.8.6 Based on material posted online by the Committee, the evidence suggests the Committee and Rylee Fleury were aware that the banners were promotional advertisements. For example, shortly after the banners went on display, the Committee posted, “it’s hard to miss the striking orange campaign signs dotting the landscape. But one stands out from the rest - a massive 20’x40’ banner promoting Rylee Fleury for Skagit County Commissioner District 1. This eye-catching display, visible from a half mile away, represents more than just a campaign advertisement. ...” **[Exhibit 1 at Pg. 11]**

Also, in response to the Tacker complaint, Mr. Fleury acknowledged he was aware of Mr. McDaniel’s intent to display the advertising and did not stop the advertising from being displayed. Mr. Fleury attended the unveiling of the advertising and used pictures of himself in front of the banners as additional

advertising on his campaign website (Rylee1.com). **[Exhibit 2 at Pg. 5 and Exhibit 9]**

If the Committee had taken appropriate action following multiple contacts by Staff, the political advertising costs could have been reported accurately, even if they would still have been untimely. Because Mr. Jensen, Mr. McDaniel, and Mr. Fleury refused to provide the requested information to Staff or to fulfill their statutory responsibility to share, collect, and report cost data related to political advertising, the reports that were submitted resulted in false reporting per RCW 42.17A.145.

**Allegation #5: Failure to Include Sponsor Identification and Party Preference on Political Advertisements in Violation of RCW 42.17A.320 and WAC 390-18-010**

- 2.9 On May 10, 2025, Mr. Fleury filed for office with the Washington Secretary of State with party preference identified as Independent. The Candidate Registration (C-1), filed on June 3, 2024, identified the candidate’s committee as the “Committee to Elect Rylee Fleury.” **[Exhibit 14]**
- 2.10 The campaign website, <https://rylee1.com/blog>, was missing complete sponsor identification and party preference throughout the election. The website was never updated to include the required information, including after being notified of the deficiency by Staff. **[Exhibit 3]**
- 2.11 The political advertising paid for by Michael McDaniel, with the awareness of Mr. Fleury and his Committee, did not include complete sponsor identification or party preference on the 10’x40’ or 20’x40’ banners. The banners were never updated by the Committee to include the required information. **[Exhibit 1 at Pgs. 12-13]**
- 2.12 Additional political advertising, in the form of banners hung on all sides of a cargo truck, deployed around Skagit County during August 2024, also did not include complete sponsor identification and party preference. The banners were never updated by the Committee to include the required information. Based on reporting in ORCA, it appears the Committee paid for these signs/banners and had creative control over the content of the political advertising. **[Exhibit 1 at Pgs. 36-37 and Exhibit 12 at Pgs. 12 and 15]**

### **Applicable Statutes and Rules**

#### **RCW 42.17A.235 and .240**

A candidate that selects the Full Reporting option on their C-1 report is required to report contributions and expenditures to the PDC on *Cash Receipts Monetary Contributions* reports (C-3 reports) and *Campaign Summary Receipts & Expenditures* reports (C-4 reports) pursuant to RCW 42.17A.235 & RCW 42.17A.240. The due dates for these reports are based upon the election cycle, the candidate's election participation, and their financial activity.

The statutes require candidates, political committees, and continuing political committees to file timely, accurate reports of contributions and expenditures, including in-kind contributions/expenditures, including the name and address of each person who has made one or more contributions during the period, together with the money or in-kind value, the date of each contribution, and the aggregate value of all contributions received from each person during the

campaign, or in the case of a continuing political committee, the current calendar year, with certain exceptions. In-kind contributions must include a detailed description of the contribution, including the name and address of vendors where contributed goods or services were purchased, and if applicable, the same information for sub vendors used by vendors.

Under the full reporting option, until five months before the general election, C-4 reports are required monthly when contributions or expenditures exceed \$750 since the last report. C-4 reports are also required 21 and 7 days before each election in which the committee makes expenditures, and in the month following the election. Monetary contributions are reported weekly during this same period and must be disclosed on Monday for contributions deposited during the previous seven days.

**RCW 42.17A.240(7)**

Pursuant to RCW 42.17A.240(7), expenditures are disclosed on C-4 reports, which must include, but are not limited to: 1) the name and address of each person to whom an expenditure was made in the aggregate of more than \$200 during the period covered by the report; 2) the amount, date, and purpose of each expenditure; and 3) the total sum of all expenditures. Purpose details should state the goods or services provided by the vendor, including the number of items purchased, identify any candidates or ballot propositions supported or opposed by the expenditure, and the name & address of any sub-vendors used. For advertising expenditures, campaigns should describe the type and number of ads, where they appeared or were broadcast, and when (e.g., run dates).

**WAC 390-16-037(2)**

Pursuant to WAC 390-16-037(2), whenever an expenditure is made to a candidate or a political committee pursuant to an agreement or understanding of any kind regarding how the recipient will use the expenditure, the report must describe in detail that agreement or understanding and the goods and/or services to be provided.

**RCW 42.17A.240(2)**

Pursuant to RCW 42.17A.240(2), each report under RCW 42.17A.235 shall disclose the name and address of each person who has made one or more contributions during the period, together with the money value and date of each contribution and the aggregate value of all contributions received from each person during the campaign, or in the case of a continuing political committee, the current calendar year

**WAC 390-16-308**

Pursuant to WAC 390-16-308, any person who contributes shall inform the candidate or treasurer, at the time the contribution is made, of the true and actual source of funds from which the contribution is made. To identify the source of a contribution received by check or other written instrument in the absence of other information, a candidate or treasurer shall apply the following: Provided, that in cases where the source of the contribution is known and differs from the guidelines set forth below, the known source of the contribution shall be reported; Provided further, that contributions made through an intermediary or conduit or transmitted by an intermediary shall identify the true and actual source of the funds.

### **WAC 390-16-207**

WAC 390-16-207 states, (1) An in-kind contribution must be reported on the C-4 report. An in-kind contribution, as that term is used in the act and these rules, occurs when a person provides goods, services or anything of value, other than money or its equivalent, to a candidate or political committee free-of-charge or for less than fair market value, unless the item or service given is not a contribution according to RCW 42.17A.005 or WAC 390-17-405.

An in-kind contribution includes an expenditure that:

- Support or oppose a candidate or a ballot measure;
- Meets the definition of contribution in RCW 42.17A.005 or WAC 390-05-210;
- Is an electioneering communication that is a contribution as provided in RCW 42.17A.310;  
and
- Is other than a monetary contribution made directly to a candidate or political committee.

For example, an in-kind contribution occurs when a person, after collaborating with a candidate or a candidate's agent, purchases space in a newspaper for political advertising supporting that candidate or opposing that candidate's opponent.

### **WAC 390-05-210(3)**

Pursuant to WAC 390-05-210(3), an expenditure made by a person in cooperation, consultation, concert, or collaboration with, or at the request or suggestion of a candidate, or the candidate's authorized committee or agent, is a contribution to such candidate. An expenditure is presumed to be made in cooperation, consultation, concert, or collaboration with, or at the request or suggestion of a candidate, or the candidate's authorized committee or agent, when:

- (a) **Any arrangement, coordination, or direction by the candidate, or the candidate's authorized committee or agent, is given to the expending person prior to the publication, distribution (digital or otherwise), display or broadcast, of political advertising or electioneering communications or prior to an expenditure being made by that person supporting that candidate or opposing one or more of that candidate's opponents;**
- (b) An expenditure is made based on information about the candidate's plans, projects, or needs provided to the expending person by the candidate, or the candidate's authorized committee or agent, with a view toward having an expenditure made;
- (c) **An expenditure is made by, through, consultation with, or with the assistance of, including the fund-raising assistance of, any person who, during the twelve months preceding the expenditure, is or has been an officer of the candidate's authorized committee; or**
- (d) An expenditure is made by or in consultation with any person who, during the twelve months preceding the expenditure, is or has been receiving any form of campaign-related compensation or reimbursement from the candidate, or the candidate's authorized committee or agent. However, there is no presumption that an expenditure is made in cooperation, consultation, concert, or collaboration with, or at the request or suggestion of a candidate, or the candidate's authorized committee or agent, when a person performs only ministerial functions for two or more candidates or political committees pursuant to RCW 42.17A.005 and WAC 390-05-243.

### **RCW 42.17A.145**

Pursuant to RCW 42.17A.145, every report and statement required to be filed under Chapter 42.17A shall be certified as complete and correct, by both the person preparing it and by the person on whose behalf it is filed.

**RCW 42.17A.435**

Pursuant to RCW 42.17A.435, no contribution shall be made and no expenditure shall be incurred, directly or indirectly, in a fictitious name, anonymously, or by one person through an agent, relative, or other person in such a manner as to conceal the identity of the source of the contribution or in any other manner so as to effect concealment.

**RCW 42.17A.405(2)**

Pursuant to RCW 42.17A.405(2), no person, other than a bona fide political party or a caucus political committee, may make contributions to a candidate for a legislative office, county office, city council office, mayoral office, school board office, or public hospital district board of commissioners that in the aggregate exceed \*twelve hundred dollars for each election in which the candidate is on the ballot or appears as a write-in candidate. Contributions to candidates subject to the limits in this section made with respect to a primary may not be made after the date of the primary. However, contributions to a candidate or a candidate's authorized committee may be made with respect to a primary until thirty days after the primary, subject to the following limitations: (a) The candidate lost the primary; (b) the candidate's authorized committee has insufficient funds to pay debts outstanding as of the date of the primary; and (c) the contributions may only be raised and spent to satisfy the outstanding debt. Contributions to candidates subject to the limits in this section made with respect to a general election may not be made after the final day of the applicable election cycle.

**WAC 390-16-310(4)**

Pursuant to WAC 390-16-310(4), The limitations on contributions as provided in RCW 42.17A.420, 42.17A.405, and 42.17A.410, as adjusted by WAC 390-05-400, are as follows: (4) Contributions from a business organized as a sole proprietorship and contributions from the owner of the sole proprietorship must be aggregated for purposes of determining the limitations of contributions under RCW 42.17A.420, 42.17A.405, or 42.17A.410, as adjusted by WAC 390-05-400.

**RCW 42.17A. 320 (1) & (3)**

Pursuant to RCW 42.17A.320, all written political advertising shall include the name and address of the sponsor. The use of an assumed name for the sponsor shall be unlawful. Sponsor identification should appear on the first page or fold of the political advertising, in at least ten-point type, and be set apart from any other printed matter.

**WAC 390-18-010**

Pursuant to WAC 390-18-010, all advertising must clearly state that it has been paid for by the sponsor. RCW 42.17A.320(3) sets forth the size and placement requirements for identifying the sponsor of political advertising. Subsection (a) states that the font size used in the sponsor identification statement for a written advertisement or communication directed at more than one voter must be at least the larger of the following: 1) ten-point type; or 2) ten percent of the largest type used in the advertisement.

Failure to properly educate filers about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.</p> <p>I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency’s problems become impossible to ignore.</p> <p>Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <a href="https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/">https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/</a></p> <p>If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.</p> <p>“Be the change that you wish to see in the world.” — Mahatma Gandhi</p>
<b>What impact does the alleged violation(s) have on the public?</b>
The PDC has an obligation to provide transparency to the voters by enforcing filing requirements. The agency’s failure to actively monitor the filings of committees and enforce filing requirements damages both the public and the candidates themselves.

As you drive along Highway 20 in Skagit County, Washington, it's hard to miss the striking orange campaign signs dotting the landscape. But one sign stands out from the rest – a massive 20' x 40' banner promoting Rylee Fleury for Skagit County Commissioner District 1. This eye-catching display, visible from half a mile away, represents more than just a campaign advertisement; it symbolizes a call for change in local government.

**Description of Complaint**

Candidate failed to timely file the post-primary C4, see attached.

Additionally, the candidate failed to disclose the number of yard signs they purchased, see link: <https://apollo.pdc.wa.gov/public/registrations/campaign-finance-report/110219487>

Notice to Respondent

I apologize to you for any inconvenience caused by this complaint.

This complaint is one of hundreds that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state’s campaign finance laws.

What are these shortcomings?

Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate filers about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency’s problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/>

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.

“Be the change that you wish to see in the world.”

**What impact does the alleged violation(s) have on the public?**

The PDC has an obligation to provide transparency to the voters by enforcing filing requirements. The agency’s failure to actively monitor the filings of committees and enforce filing requirements damages both the public and the candidates themselves.

**Complaint Against: Rylee Fleury**

**Submitted: 10/30/24**

**Notice to Respondent Due By: 11/9/24 per WAC 390-37-050(1)**

**90 Day Initial Hearing Deadline: 1/28/24 per RCW 42.17A.755(3)**

**Statutes Violated: RCW 42.17A.235, .240**

**Background**

**Washington State’s Campaign Finance Disclosure Law**

One of the primary purposes of the public disclosure law is to provide citizens of this state, and especially voters, with the means for becoming informed about the financing of political campaigns.<sup>1</sup> The public disclosure law was enacted through voter approval of Initiative 276 in 1972.

State law requires candidates and committees that register under full reporting to submit regular reports of financial activity. Those reports are filed on schedules outlined on the PDC’s key reporting dates calendar.<sup>2</sup>

**Violation**

This candidate has failed to file their 7-day pre-general C4 report. See attached, and also link: <https://pdc.wa.gov/news/2024/pdc-sends-late-notice-43-candidates-missing-mandatory-reporting-deadline>

**Conclusion**

With the 2024 general election rapidly approaching, I urge the PDC staff to take quick action and resolve the noncompliance identified in this complaint.

Best,

/s/

## **Notice to Respondent**

I apologize to you for any inconvenience caused by this complaint. The chance that you will actually be fined for the violations identified above is extremely small because the agency is averse to doing the work necessary to bring cases to hearings. Most likely this case – and any future cases against you – will simply be dismissed by staff with a so-called "warning letter".

This complaint is one of hundreds that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state's campaign finance laws.

What are these shortcomings?

Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate the regulated community about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency's problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/>

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.

<b>Complaint Description #162787</b>
<p>Wim Houppermans</p> <p>Tue, 26 Nov 2024 at 9:26 AM)</p> <p>Violation of RCW42.17A.235, not reporting expenditures .  The campaign did not report the expenses or in-kind contribution of a commercial vehicle with political advertisements on both sides, front and rear. Expenses would include the rental of the vehicle and the purchase of the advertisement banners attached to the vehicle. This vehicle appeared at an August event in Anacortes and at other times was parked on College Way in Mount Vernon. Two pictures are attached showing all sides of the vehicle and the banners on it.</p> <p>Violation of RCW42.17A.410, acceptance of contributions above the contribution limit. WAC 390-16-308 (3) states “A contribution made by a sole proprietor or drawn upon the account of a business which is a sole proprietorship shall be attributed to the owner of the business entity.”  The election for county commissioner has an individual contribution limit of \$1200 per election (Primary and General). The campaign reports contributions by:</p> <p>Beachley Heights LLC</p> <p>1200  Country Cousins, Inc.</p> <p>1200  Full Circle Container Service Inc.</p> <p>1200  Hwy 20 Properties LLC</p> <p>1200  Rainbow Ranch Properties LLC</p> <p>1200  Snoco LLC</p> <p>1200</p>

Tulip Time LLC

1200

Country Cousins, Inc.

700

Rainbow Ranch Properties LLC

700

Country Cousins, Inc.

500

Rainbow Ranch Properties LLC

500

Ownership for the above businesses is reported by the Washington Secretary of State (see attachment, output from the advanced search at <https://apps.sos.wa.gov/corps/>). All are owned by Larry Jensen, the assistant treasurer of the Rylee Fleury campaign.

In addition there are contributions from:

Valley Investments

1200

Valley Investments

700

Valley Investments

500

I could not find a business registration in Washington State on <https://apps.sos.wa.gov/corps/>. But the assistant treasurer did report the business address for Valley Investments in the May 9th report of contributions. It is listed at the same address as two other businesses of Larry Jensen.

The reported amount of donations by businesses controlled by Larry Jensen is \$13,200. Contribution limits for businesses are defined in WAC 390-16-308 and depend on who controls the business. All of Larry Jensen's business are allowed to make contributions, but as all are controlled by Larry Jensen they share the contribution limit.

These contributions exceed the \$2400 contribution limit by \$10,800. In addition there is the 8/27 contribution of \$150 made and reported by Larry Jensen.

This is a special situation with the contributor and assistant treasurer being the same person.

Violation of RCW 42.17A.240 (2) and WAC 390-16-308 for not listing name and address of the contributor.

The 8/27 report lists a contribution for \$1200 by Savi Bank VP. An anonymous contribution. A second anonymous contribution is reported on 7/30 with a \$300 contribution by Peers Constitutional Study and Lecture Session.

The 10/1 contribution of \$1000 by Schreur Farm Trust does not list the name of the contributor. The 8/27 contribution of \$1000 by Deanna McDougle shows she resides at the same address as the Schreur Farm Trust. A second \$1000 contribution by Deanna McDougle would exceed the individual contribution limit.

**What impact does the alleged violation(s) have on the public?**

The public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

Washington State law established email as the Public Disclosure Commission's (PDC) official means of communication as of June 7th, 2018 (RCW 42.17A.055), and this is how we primarily communicate with people outside of the agency. Persons required to file reports with the PDC have a requirement to maintain their information, within 10 days, for all material changes. Changes to contact information, including a valid email address, is a material change to the information kept on record by the PDC. Please ensure your email address is up to date.

**REGARDING CASE NUMBER 158645**

Hello and thank you for reaching out to me.

In response to **Case Number 158645** over the two large banners. These banners were not purchased by me or my campaign, nor were they gifted to me in any way.

My understanding of the situation with those banners is that a private citizen in Mount Vernon had heard that the landowner who owns the property that the banners are located at was dealing with persecution from the County government. As a result of this, this private citizen wished to show his disapproval for the local government's actions by purchasing and erecting those banners as a method of free speech against the local government. This was done of his own accord and there was a verbal agreement between this citizen and the landowner. The banners were even erected using this private citizen's own equipment. I was invited to watch the banners be erected, as per the photo of me standing in front of it/them.

In short, the banners were neither a campaign expenditure, nor an in-kind donation.

My understanding is that the party preference is stated in the parentheses on the top right "(I)" for "Independent". However, this banner(s) is an act of free speech by a private individual (not me), so that RCW does not apply in this case.

As a result of this being an act of free speech by an individual (not me), the law does not require that the owner display a sponsor ID.

Thank you for your time, and reach out to me if you have further questions.

**REGARDING CASE NUMBER 158645**

Attached is a signed affidavit by the purchaser and owner of the signs.

State of Washington

County of Skagit

To: Washington Public Disclosure Commission

I, Michael McDaniel, affirm, depose and state as follows:

1. On or about August 1, 2024, I voluntarily caused to be erected banner signs on private property alongside Highway 20 approaching Anacortes, WA. One sign measured approximately 40' x 20', and the other 40' x 10'.
  2. These signs express my personal political views and preference for candidate Fleury. They also express my opposition to Ron Wesen, whom I believe fails to operate by the rule of law.
  3. I made arrangements with the landowner to use his metal containers to erect my signs. I also supplied my own high-lift equipment to install the signs.
  4. I did not make these contributions to a political fund in connection with these activities. These signs and associated actions represent my personal expression of free speech.
  5. As a private citizen expressing political views on private property, I believe my actions are protected forms of speech under the First Amendment to the U.S. Constitution.

5. As a private citizen expressing political views on private property, I believe my actions are protected forms of speech under the First Amendment to the U.S. Constitution.

#### Constitutional Protection of Free Speech

No complaint of my choice of Free Speech has been made to me. Any complaint made to the PDC about my free speech expression is outside the jurisdiction of the PDC.

The Supreme Court and lower courts have consistently upheld the right of property owners to display signs on private property as a form of free speech. This principle has been firmly established through several landmark decisions:

a) *Reed v. Town of Gilbert*, 576 U.S. 155 (2015): The Court held that content-based restrictions on signs are subject to strict scrutiny and are presumptively unconstitutional.

b) *City of Ladue v. Gilleo*, 512 U.S. 43 (1994): The Court struck down a broad ban on residential signs, recognizing that such signs are a venerable means of communication that is both unique and important.

c) *Metromedia, Inc. v. City of San Diego*, 453 U.S. 490 (1981): This case established that noncommercial speech is afforded greater protection than commercial speech in the context of billboards and signs.

d) *Members of City Council v. Taxpayers for Vincent*, 466 U.S. 789 (1984): While upholding a ban on posting signs on public property, the Court distinguished between public and private property, implying stronger protections for signs on private property.

6. I respectfully assert that my personal political expression, conducted without coordination with or contribution to a campaign, falls outside the scope of PDC regulations governing campaign finance and disclosure.

#### 7. Washington State Law Protection of Political Speech and Signs

In addition to the protections afforded by the U.S. Constitution, my actions are further protected under Washington State law. Specifically:

- a) RCW 42.17A.555 and RCW 42.52.180 prohibit the use of public resources for political campaigns but include exceptions that protect free speech activities by private citizens.

b) RCW 29A.84.040 makes it illegal to remove or deface lawfully placed political advertising, indirectly protecting my right to display political signs on private property.

c) RCW 47.42.020 and 47.42.030, while regulating highway signage, include exceptions for temporary political campaign signs, which my signs fall under.

d) RCW 42.17A.320 requires sponsor identification on political advertising but includes exemptions that may apply to personal political expression like mine.

e) RCW 42.17A.005(40) defines "political advertising" in a way that recognizes the breadth of protected political speech.

f) RCW 42.17A.255, while addressing reporting requirements for independent expenditures, implicitly recognizes the right of individuals to engage in independent political expression.

These state laws, in conjunction with the Constitutional protections previously cited, firmly establish my right to display these signs as a form of protected political speech.

8. I respectfully assert that my personal political expression, conducted without coordination with or contribution to a campaign, falls outside the scope of PDC regulations governing campaign finance and disclosure.

I affirm that the above statement is true and correct to the best of my knowledge.

Affiant further sayeth naught.

All Rights Reserved,

Sworn Statement patterned per 28 U.S.C. 1746 (1):

"I declare under pain and penalty of perjury under the laws of the (organic) united States of America that the foregoing is true and correct to the best of my knowledge.

Executed on 9, of 10 2024.

Signed, Michael McDaniel

Hello Mr. Fleury,

Regarding your email from 9/20/24, the complaints filed by Connor Edwards are against you and relate to late reporting of the 21-day report and the missing post-election report (for period 7/25/24-8/31/24) that was due on 9/10/24. I reviewed the reporting today and the post-election report is still missing. Please either file the report immediately or let me know a date in which the report will be filed.

Per the complaint by Keith Tacker, there is no implication in Mr. Tackers complaint that the person who paid for the signs creation and erection did not have a right to do so. Mr. Tacker is addressing the requirement that these sorts of expenditures be reported to the PDC so the public may know how campaign funds are expended and also who is expending funds in support or opposition of a candidate. The two large signs are considered political advertising per RCW 42.17A.005(40):

"Political advertising" includes any advertising displays, newspaper ads, billboards, signs, brochures, articles, tabloids, flyers, letters, radio or television presentations, digital communication, or other means of mass communication, used for the purpose of appealing, directly or indirectly, for votes or for financial or other support or opposition in any election campaign.

If Mr. Michael McDaniel did not coordinate with your campaign in the creation and erection of the signs, he may still have a reporting requirement under RCW 42.17A.255 and .260 if the material is determined to be an Independent Expenditure and RCW 42.17A.260 if the material is Electioneering Communication. I would like to get into contact with Mr. McDaniel, please provide his contact information so I may reach out.

So that I can keep this case review moving forward, please respond no later than Wednesday, October 2, 2024.

Thank you,

Tanya

Respondent: Rylee Fleury

Commission  
Authority: RCW 42.17A.755(3) & WAC 390-37-071

This is to notify you that the Public Disclosure Commission (PDC) has scheduled an initial hearing and we intend to open a formal investigation on the above date. The Initial Hearing (Case Status Review Hearing) concern a complaint filed on July 19, 2024, by Keith Tacker, and subsequent complaints filed by Conner Edwards, alleging that the Rylee Fleury, a candidate in the 2024 election for Skagit County Commissioner, position 1, may have violated RCW 42.17A.235, .240, and .320 by failing to timely and accurately report contributions and expenditures and failing to provide sponsor identification and party preference on POLADs election year 2024.

The Case Status Review Hearing is not an adjudicative proceeding. It is conducted in accordance with WAC 390-37-071 and is intended to provide you with information concerning the investigative process, including possible alternatives to resolve the matter.

Hello Mr. Fleury,

I just had a chance to look at your campaign website (<https://rylee1.com/>) and it is missing sponsor ID. Please update your website to reflect sponsor ID as it is described here:

Also it appears that you have used a picture of the banner, provided by Michael McDaniel, on your website as the header for a blog post from August 11, 2024. Is the picture below the same picture provided as evidence in the complaint? Please respond by Monday, November 4, 2024.

Rylee Fleury · No Comments

In the ongoing debate about Skagit County's governance, Rylee Fleury takes a bold stance that might surprise some. While his opponent, a current Skagit County Commissioner, claims "We Don't Need to Change Our Government," Fleury agrees – but with a crucial caveat. The real issue, according to Fleury, isn't the structure of our government as [...]

Mr. Fleury,

It has come to my attention that the address, for where the signs are erected, may be owned by Larry Jensen, your campaign's assistant treasurer. Is this correct? If this is not correct, what is the address for where the signs are erected?

I have also learned that Michael McDaniels is the owner of Ideal Rent All in Mount Vernon, is this correct?

Please respond to these questions no later than **Friday, November 1, 2024**.

Hello Mr. Fleury,

I took a look at your campaign reporting and the 7-day general report was due on 10/29/24 and is missing. There are also no C3 filed for contributions received after 10/21/24. Even though the campaign is over, you still have a reporting requirement and because there is a complaint filed related to your reporting it is in your interest to file any outstanding reports immediately. You will also have a post election C4 due on 12/10/24 and an end of election C4 due on 1/10/25.

Thanks,

Tanya

Hello Mr. Fleury,

I have been in contact with Michael McDaniel and Larry Jensen, the people responsible for supplying the location and materials and constructing the signs associated in this case. Mr. McDaniel and Mr. Jensen confirmed they are the responsible parties but they have refused to provide me with the cost/value information for those signs.

In that Mr. Jensen is your campaign's assistant treasurer, an officer for your campaign, we have determined there was consultation prior to the display of the signs between the campaign, through the assistant treasurer, and Mr. McDaniel. As well, we have determined that at the point in which you were at the erection and unveiling of the signs, and did not object prior to their implementation, you cooperated with Mr. McDaniel. These matters are aligned with the current allegations of RCW 42.17A.235, .240, and .320 under which this case was opened. Your campaign, and you as the candidate, had a responsibility to ensure the reporting was completed for the costs/valuation of the signs as an in-kind contribution, per WAC 390-16-207, to your campaign. This information has not been reported to date.

I am reaching out to you in a last effort allowing you to bring your campaign into compliance before I begin the subpoena process to obtain the requested information from Mr. McDaniel and Mr. Jensen. If I do not see the cost/valuation information reported in our ORCA system by close of business on Wednesday, November 20, 2024, I will subpoena Mr. McDaniel and Mr. Jensen for the information.

If you need assistance with our ORCA filing system, you can reach out to our Customer Service at 360-753-1111, Monday through Friday, 8am - 5pm. If you have questions about these issues, you can reach out to me between the hours of 10am and 4pm Monday through Friday, at 360-588-4746.

Hello Mr. Fleury,

This is to notify you that the PDC is intending to take your campaign Treasurer, Larry Jensen, to an upcoming Brief Adjudicative Proceeding (BAP). Our staff is in the process of reaching back out to Mr. Jensen to offer final assistance in bringing the reporting for your 2024 campaign into compliance. There continue to be issues with a \$150 over-limit contribution that Mr. Jensen made to the campaign for the general election and a \$97.25 loan that he made to the campaign in December 2024. As well, the contribution from Savi Bank VP is not reported correctly. And as you are aware in-kind contributions from Michael McDaniel, and any other entity that provided political advertising support for your campaign, continue to be unreported.

I hope you will encourage Mr. Jensen to work with our staff to address these issues no later than September 18, 2025.

Also, there will be additional information coming to you, but do be aware the PDC intends to also take you to a hearing before year's end.

If you have questions, do reach out to me directly.

Hello Mr. McDaniel,

I am the Compliance Officer working on a case against Rylee Fleury.

Mr. Fleury has provided me your contact information so that I can ask you a few questions. So that I can keep this case moving forward and work toward a resolution, your prompt response is appreciated. Please reply by Thursday, November 14, 2024.

You have previously provided an affidavit indicating that you voluntarily caused to be erected banner signs on private property along Highway 20 in Skagit County. One sign measured approximately 40'x20' and the other is 40'x10'. You've indicated that you also provided the high-lift equipment to install the signs.

1. What was your cost for the banners?
2. If you were to rent the high-lift for use, similarly to how you used it in this instance, and for the amount of time that it took to install the signs, what would the cost have been?
3. We know that Mr. Fleury was invited to the installation of the signs. Was there any prior contact between you and Mr. Fleury regarding the signs? If yes, please explain.
4. What is the address for the location where the signs are erected and what is the name of the property owner?

Thank you.

Re: Affidavit of Information concerning Banner Sign

Dear Tanya Mercier,

I, Michael McDaniel, am writing in response to your recent notice regarding the sign erected on Larry Jensen's farm visible from State Road 20. Your letter states that you desire to know my expenses, costs and equipment used. I respectfully decline to expose my private business to an unknown source for the following reasons.

1. I am a business owner that rents equipment to the public.
2. I have a personal right of free speech guaranteed by the First Amendment of the United States Constitution, to erect signs on private property at my expense, without reporting my reasons or explaining why I spent the money as that is also my right to privacy.
3. The Supreme Court and lower courts have consistently upheld the right of property owners to display signs on their private property as a form of free speech. This principle has been firmly established through several landmark decisions:

1. Reed v. Town of Gilbert, 576 U.S. 155 (2015): The Court held that content-based restrictions on signs are subject to strict scrutiny and are presumptively unconstitutional.
2. City of Ladue v. Gilleo, 512 U.S. 43 (1994): The Court struck down a broad ban on residential signs, recognizing that such signs are a venerable means of communication that is both unique and important.
3. Metromedia, Inc. v. City of San Diego, 453 U.S. 490 (1981): While this case dealt primarily with commercial speech, it established that noncommercial speech is afforded greater protection than commercial speech in the context of billboards and signs.
4. Members of City Council v. Taxpayers for Vincent, 466 U.S. 789 (1984): While upholding a ban on posting signs on public property, the Court distinguished between public and private property, implying stronger protections for signs on private property.
5. City of Cincinnati v. Discovery Network, Inc., 507 U.S. 410 (1993): The Court struck down a city ordinance prohibiting the distribution of commercial handbills through newsracks on public property, emphasizing that restrictions must be content-neutral and narrowly tailored.
6. Linmark Associates, Inc. v. Willingboro, 431 U.S. 85 (1977): The Court struck down a town ordinance prohibiting "For Sale" signs, highlighting the importance of on-site signs for communicating messages.
7. Snyder v. Phelps, 562 U.S. 443 (2011): While not directly related to signs, this case reaffirmed broad First Amendment protections for speech on matters of public concern, even when that speech is controversial or offensive.
8. Thomas v. Chicago Park District, 534 U.S. 316 (2002): The Court emphasized that any

permit scheme regulating speech must contain adequate procedural safeguards and be content-neutral.

Lower court decisions have also supported these principles:

9. *Neighborhood Enterprises, Inc. v. City of St. Louis*, 644 F.3d 728 (8th Cir. 2011): The court struck down a sign code as content-based and unconstitutional, reinforcing protections for noncommercial speech on private property.

10. *Dimmitt v. City of Clearwater*, 985 F.2d 1565 (11th Cir. 1993): The court invalidated an ordinance that regulated the display of flags and other signs, emphasizing the need for content-neutrality in sign regulations.

The doctrine of stare decisis strongly supports my right to maintain this sign. This principle of adhering to precedent is fundamental to our legal system and ensures consistent application of constitutional protections.

I understand the state's interest in maintaining safe and attractive roadways. However, this interest must be balanced against the fundamental right of free speech. As the Supreme Court noted in *City of Ladue v. Gilleo*, residential signs are a "venerable means of communication that is both unique and important."

Given these established legal precedents, the constitutional protections afforded to free speech, and my intention to remove this sign by November 30, 2024, I respectfully request that you rescind your notice of removal. The signs represents protected speech on private property and should not be subject to immediate removal or abatement procedures.

I invited several acquaintances to watch the erection of this landmark statement of my personal feelings. At this time the list of my acquaintances are also my private business. Thank you for your attention to this matter. I look forward to your prompt response confirming that no further action will be taken against the sign on the private property that I have chosen for my expression of free speech property before its planned removal on November 30, 2024.

Sincerely,

Michael McDaniel

Hello Mr. McDaniel,

Thank you for confirming the property owner for where the signs are erected. Do I understand correctly that you do not intend to provide me the requested fair market value/cost for the banners and their construction?

I am not sure what you are referencing regarding your statement "I respectfully request that you rescind your notice of removal. The signs represents protected speech on private property and should not be subject to immediate removal or abatement procedures." The Public Disclosure Commission (PDC) does not have authority to remove political advertisement and have taken no action to request removal of the signs.

Hello Mr. Jensen,

I am a PDC Compliance Officer working on a case against Rylee Fleury for his 2024 campaign.

It has come to my attention that you are the owner of the property where campaign signs, paid for by Michael McDaniel, in support of Rylee Fleury were erected. And according to the campaign registration, you are also the Assistant Treasurer, an officer, for the 2024 Rylee Fleury campaign.

We have determined that prior to the display of the campaign signs there was consultation with the campaign, through you the assistant treasurer, and Mr. McDaniel the person that provided the banners and construction of the signage. It also appears that Mr. Fleury cooperated with the implementation of the political advertising since he was present for the construction and unveiling of the banners and did not object to their completion. The cost or fair-market-value, if a cost cannot be determined, for the banners, their construction, and the donated value of the property upon which they are erected should have been reported by the campaign as an in-kind contribution to the campaign.

Are you willing to provide me with the fair-market-value, or cost, for the use of your farmland associated with the political advertising in question? Please respond to this email by Monday, November 18, 2024, with the requested information. Or, if you would prefer to have a conversation about the requested information, please let me know by Monday and I will schedule a meeting for us in the coming week.

For your information, you can find out how to determine fair-market-value by reviewing WAC 390-05-235.

Thank you,

Re: Response to PDC Inquiry Regarding Campaign Signs

Ms. Mercier:

I am responding to your email dated November 15, 2024 regarding campaign signs on my private property. I am compelled to note at the outset that this inquiry appears to exceed PDC authority and may constitute harassment of a campaign treasurer. My role as Assistant Treasurer does not transform my private property rights into campaign assets.

1. Jurisdictional Challenge and Constitutional Protection

The display of political signs on private property represents core political speech protected by both the First Amendment and Article I, Section 5 of the Washington State Constitution. The Supreme Court has consistently held that political speech on private property receives the highest level of constitutional protection. See *City of Ladue v. Gilleo*, 512 U.S. 43 (1994); *Reed v. Town of Gilbert*, 576 U.S. 155 (2015).

2. Personal Relationships and Private Property Rights

The PDC's attempt to characterize personal relationships and neighborly courtesies as reportable campaign contributions sets a dangerous precedent. Mr. McDaniel and I have a long-standing friendship predating any campaign involvement. The permission to place signs was granted in this personal capacity, not in any official campaign role. The containers in question maintain their primary agricultural use, with only their exterior surfaces being used for sign placement.

3. Specific Washington State Regulatory Exemptions

Your inquiry overlooks multiple explicit exemptions under Washington law that preclude any reporting requirement:

a) Under WAC 390-05-210, no reportable contribution exists because:

- The property maintains its primary business use
- No charge was assessed for the sign placement
- The permission was granted "in the ordinary course of business"

b) WAC 390-17-405 specifically exempts:

- Use of personal property
- Use of private space
- Activities not resulting in actual expenditures

c) RCW 42.17A.005(15) explicitly excludes:

- "The rendering of personal services of the sort commonly performed by volunteer campaign workers"
- "Incidental expenses personally incurred by campaign workers not in excess of fifty dollars"

d) PDC Interpretation No. 07-02 further clarifies that:

- Private property owners may display political signs without it being considered a contribution
- Voluntary political expression doesn't require reporting
- Incidental use of private property for political speech is protected

#### 4. Absence of Campaign Coordination

Your assertion of "consultation" and "cooperation" mischaracterizes the situation. The campaign had no involvement in the sign placement. Mr. McDaniel acted independently in requesting permission to place signs, as is his constitutional right. The presence of any candidate at the location does not transform protected speech into a campaign contribution.

#### 5. Constitutional Concerns and Chilling Effect

Any attempt to require reporting of private property use for political expression would have a chilling effect on core political speech and invite constitutional challenge. See *Citizens United v. FEC*, 558 U.S. 310 (2010). The PDC's position would lead to absurd results:

- Would every yard sign require a "fair market value" calculation?
- Must homeowners report the square footage used for window signs?
- How would one calculate the value of a fence or barn used for political expression?

Such requirements would render campaign finance laws unconstitutionally vague and overbroad.

## 6. Documented Facts

For your records, I have documented:

- Continued agricultural use of the containers
- Absence of any monetary exchange
- Pre-existing friendship with Mr. McDaniel
- Independent nature of sign placement
- No campaign involvement in sign placement decisions

## 7. Legal Framework

Multiple courts have rejected attempts to characterize political expression on private property as reportable campaign contributions:

- Citizens United v. FEC, 558 U.S. 310 (2010)
- Meyer v. Grant, 486 U.S. 414 (1988)
- McCutcheon v. FEC, 572 U.S. 185 (2014)

The Washington State Supreme Court specifically recognized in *Collier v. City of Tacoma*, 121 Wn.2d 737 (1993), that "the right of an owner to use private property to communicate ideas" is "protected by both the First Amendment and article I, section 5 of the Washington State Constitution."

## 8. PDC Authority Limitations

The PDC lacks authority to:

- Assign monetary value to constitutionally protected speech on private property
- Require reporting of non-monetary expressions of political support
- Burden property owners' First Amendment rights
- Transform basic political expression into reportable contributions

## Conclusion

Given the clear legal exemptions, constitutional protections, and absence of any reportable contribution, I respectfully request that this matter be closed immediately. Any further pursuit of this inquiry could be viewed as an attempt to chill protected political

speech and subject the PDC to liability under 42 U.S.C. § 1983 for deprivation of constitutional rights under color of law.

The placement of political signs on my private property involves no reportable contribution and represents core political speech protected by both the U.S. and Washington State Constitutions. Your request for "fair market value" of this constitutionally protected activity exceeds PDC authority and improperly burdens First Amendment rights.

Sincerely,

ALTERNATIVELY FOR PROTECTIVE ORDER AND EXTENSION OF TIME

STATE OF WASHINGTON ) ) ss. COUNTY OF SKAGIT )

I, Larry Jensen, being first duly sworn upon oath, depose and state:

1. I make this special appearance solely to contest the procedural deficiencies, timing, and unreasonable demands of the subpoena issued November 22, 2024, without waiving any substantive rights or submitting to jurisdiction.

IMPROPER SERVICE AND LACK OF JURISDICTION

1. FUNDAMENTAL SERVICE DEFECTS

a. No Consent to Electronic Service

- o No agreement exists authorizing email service of legal process
- o Electronic service not authorized by Washington Civil Rules
- o Rio Properties, Inc. v. Rio Int'l Interlink, 284 F.3d 1007 (9th Cir. 2002) (email service requires prior consent or court order)
- o RCW 4.28.080 (specifying proper methods of service in Washington)

b. Constitutional Notice Requirements

- o Mullane v. Central Hanover Bank & Trust Co., 339 U.S. 306 (1950) (requiring constitutionally adequate notice)
- o Greene v. Lindsey, 456 U.S. 444 (1982) (service must be reasonably calculated to provide actual notice)
- o Jones v. Flowers, 547 U.S. 220 (2006) (requiring adequate steps to effect notice)

2. WASHINGTON STATE SERVICE REQUIREMENTS

a. Statutory Compliance

- o RCW 34.05.010(19) (defining proper service under Administrative Procedure Act)
- o RCW 34.05.434 (notice requirements for administrative proceedings)
- o WAC 390-37-063 (PDC's own service requirements)

b. Case Law

- o Heinzig v. Seok Hwang, 189 Wn. App. 304 (2015) (strict compliance with service rules required)
- o Ralph's Concrete Pumping v. Concord Concrete Pumps, 154 Wn. App. 581 (2010) (email service insufficient without agreement)

- o Welfare Rights Org. v. Crisan, 33 Cal.3d 766 (1983) (administrative agencies must follow proper service rules)

### 3. JURISDICTIONAL IMPACT

#### a. Lack of Personal Jurisdiction

- o Insufficient service voids attempted jurisdiction
- o Void ab initio under Washington law
- o No duty to respond to improperly served documents
- o All subsequent demands are legally void

#### b. Legal Authority

- o Weiss v. Glemp, 127 Wn.2d 726 (1995) (proper service fundamental to jurisdiction)
- o Farmer v. Davis, 161 Wn. App. 420 (2011) (strict compliance with service requirements)
- o Sannamish Pointe HOA v. Sannamish Pointe LLC, 116 Wn. App. 117 (2003) (email insufficient for service)

### 4. PREJUDICIAL EFFECT

#### a. Attempted enforcement of improperly served subpoena constitutes:

- o Due process violation
- o Abuse of process
- o Ultra vires agency action
- o Basis for sanctions against PDC

THEFORE, as a threshold matter:

1. The purported subpoena is void for improper service;
2. No response is legally required;
3. Any attempted enforcement would be unlawful;
4. The Commission lacks jurisdiction to proceed.

### 2. PROCEDURAL DEFECTS

- a. The subpoena demands compliance by December 2, 2024, and appearance on December 6, 2024, spanning a major national holiday (Thanksgiving) and weekend.
- b. The Supreme Court has held that subpoenas must provide reasonable time for compliance. See *In re Grand Jury Investigation*, 459 F. Supp. 1335 (E.D. Pa. 1978).

### 3. IMPOSSIBILITY OF COMPLIANCE

- a. I am currently outside the USA until mid-December 2024, as previously notified to the Commission.
- b. I lack reliable internet access for Microsoft Teams meetings in my current location.
- c. The doctrine of impossibility of performance applies. See *United States v. Bryan*, 339 U.S. 323 (1950) (excusing compliance where genuinely impossible).

#### 4. DUE PROCESS VIOLATIONS

- a. The email subpoena fails to provide reasonable notice as required by *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306 (1950).
- b. The timing over a holiday period violates fundamental fairness principles established in *Matthews v. Eldridge*, 424 U.S. 319 (1976).
- c. The demanded response time is "unreasonable or oppressive" under the standard set in *United States v. Nixon*, 418 U.S. 683 (1974).

#### 5. CONSTITUTIONAL CONCERNS

- a. First Amendment associational rights are implicated, requiring heightened scrutiny under *NAACP v. Alabama*, 357 U.S. 449 (1958).
- b. The subpoena's breadth raises Fourth Amendment concerns under *Oklahoma Press Publishing Co. v. Walling*, 327 U.S. 186 (1946).

#### 6. STATE LAW VIOLATIONS

- a. The subpoena violates WAC 390-37-063's requirement for reasonable notice.
- b. RCW 42.17A.110 requires reasonable accommodation of witness circumstances.

#### 7. PATTERN OF HARASSMENT AND ADMINISTRATIVE OVERREACH

- a. The Commission's actions demonstrate a pattern of harassment as defined in *Bantam Books, Inc. v. Sullivan*, 372 U.S. 58 (1963), where the Supreme Court held that administrative actions can constitute impermissible intimidation.

#### b. Specific instances include:

- o Demanding responses over holiday weekends
- o Ignoring previously provided information
- o Issuing unreasonable deadlines
- o Disregarding notice of unavailability
- o Using administrative process for apparent retaliatory purposes

#### 8. ABUSE OF ADMINISTRATIVE PROCESS

- a. The Commission's actions violate principles established in *SEC v. Wheeling-Pittsburgh Steel Corp.*, 648 F.2d 118 (3d Cir. 1981) (condemning administrative agency's use of process for improper purposes).

#### b. Multiple procedural defects exist:

- o No proper service under Washington Civil Rules
- o Violation of due process under RCW 34.05 (Administrative Procedure Act)
- o Failure to follow own procedural rules under WAC 390-37
- o Attempted enforcement without court order
- o Refusal to acknowledge prior responses

## 9. DUE PROCESS VIOLATIONS UNDER STATE AND FEDERAL LAW

- a. The Commission's actions violate fundamental fairness requirements established in:
  - o *Goldberg v. Kelly*, 397 U.S. 254 (1970) (requiring adequate notice and opportunity to respond)
  - o *Ohio Bell Telephone Co. v. Public Utilities Commission*, 301 U.S. 292 (1937) (condemning administrative harassment)
  - o *Washington ex rel. LaMon v. City of Westport*, 73 Wn. App. 130, 136-40 (1994) (requiring fundamental fairness in administrative proceedings)

## 10. EVIDENCE OF IMPROPER PURPOSE

- a. The timing and manner of Commission actions suggest improper motivation:
  - o Issuing demands immediately after holiday
  - o Requiring impossible compliance timeframes
  - o Ignoring reasonable accommodation requests
  - o Escalating demands despite prior compliance
  - o Using administrative process for apparent political purposes

## 11. VIOLATION OF ADMINISTRATIVE FAIRNESS DOCTRINE

12. a. The Commission's actions violate principles established in:
  - o *Citizens to Preserve Overton Park v. Volpe*, 401 U.S. 402 (1971) (requiring rational administrative action)
  - o *Burlington Truck Lines v. United States*, 371 U.S. 156 (1962) (condemning arbitrary administrative action)
  - o *Cornelius v. NAACP Legal Defense & Ed. Fund*, 473 U.S. 788 (1985) (prohibiting viewpoint discrimination)

WHEREFORE, I respectfully request relief:

1. The subpoena be quashed as procedurally defective and impossible to comply with;
2. Alternatively, a protective order extending compliance dates until after my return to the United States in mid-December 2024;
3. Any response or appearance be scheduled with reasonable notice after my return;
4. The Commission cease its apparently retaliatory conduct following my initial response.
5. An order requiring the Commission to cease harassment and improper use of administrative process;
6. A finding that the Commission's actions constitute an abuse of process;
7. A protective order preventing further retaliatory administrative action;
8. Referral to appropriate oversight authorities regarding Commission conduct;
9. Preservation of all rights to seek legal remedies for harassment and abuse of process.
10. Declaration that attempted email service is void and ineffective;
11. Order prohibiting future attempted email service without express consent;
12. Sanctions for knowing violation of service requirements;
13. Costs associated with responding to improperly served documents.

PDC Support,

Please find my written response attached in this email.

Currently I am out of the country with no return date scheduled as noted in my prior email of 11/16/24.

Sincerely,

Larry R. Jensen

IN THE MATTER OF THE PUBLIC DISCLOSURE COMMISSION OF THE STATE OF  
WASHINGTON

Case No. PDC 158645 RE: Rylee Fleury Campaign Investigation

AFFIDAVIT OF SPECIAL APPEARANCE AND MOTION TO QUASH SUBPOENA OR  
ALTERNATIVELY FOR PROTECTIVE ORDER AND EXTENSION OF TIME  
STATE OF WASHINGTON ) ss. COUNTY OF SKAGIT )

I, Larry Jensen, being first duly sworn upon oath, depose and state:

1. I make this special appearance solely to contest the procedural deficiencies, timing, and unreasonable demands of the subpoena issued November 22, 2024, without waiving any substantive rights or submitting to jurisdiction.

IMPROPER SERVICE AND LACK OF JURISDICTION

1. FUNDAMENTAL SERVICE DEFECTS

- a. No Consent to Electronic Service
  - o No agreement exists authorizing email service of legal process
  - o Electronic service not authorized by Washington Civil Rules
  - o Rio Properties, Inc. v. Rio Int'l Interlink, 284 F.3d 1007 (9th Cir. 2002) (email service requires prior consent or court order)
  - o RCW 4.28.080 (specifying proper methods of service in Washington)

b. Constitutional Notice Requirements

- o Mullane v. Central Hanover Bank & Trust Co., 339 U.S. 306 (1950) (requiring constitutionally adequate notice)
- o Greene v. Lindsey, 456 U.S. 444 (1982) (service must be reasonably calculated to provide actual notice)
- o Jones v. Flowers, 547 U.S. 220 (2006) (requiring adequate steps to effect notice)

2. WASHINGTON STATE SERVICE REQUIREMENTS

a. Statutory Compliance

- o RCW 34.05.010(19) (defining proper service under Administrative Procedure Act)
- o RCW 34.05.434 (notice requirements for administrative proceedings)
- o WAC 390-37-063 (PDC's own service requirements)

b. Case Law

- o *Heinzig v. Seok Hwang*, 189 Wn. App. 304 (2015) (strict compliance with service rules required)
- o *Ralph's Concrete Pumping v. Concord Concrete Pumps*, 154 Wn. App. 581 (2010) (email service insufficient without agreement)

- Welfare Rights Org. v. Crisan, 33 Cal.3d 766 (1983) (administrative agencies must follow proper service rules)

### 3. JURISDICTIONAL IMPACT

#### a. Lack of Personal Jurisdiction

- Insufficient service voids attempted jurisdiction
- Void ab initio under Washington law
- No duty to respond to improperly served documents
- All subsequent demands are legally void

#### b. Legal Authority

- Weiss v. Glemp, 127 Wn.2d 726 (1995) (proper service fundamental to jurisdiction)
- Farmer v. Davis, 161 Wn. App. 420 (2011) (strict compliance with service requirements)
- Sannamish Pointe HOA v. Sannamish Pointe LLC, 116 Wn. App. 117 (2003) (email insufficient for service)

### 4. PREJUDICIAL EFFECT

#### a. Attempted enforcement of improperly served subpoena constitutes:

- Due process violation
- Abuse of process
- Ultra vires agency action
- Basis for sanctions against PDC

THEREFORE, as a threshold matter:

1. The purported subpoena is void for improper service;
2. No response is legally required;
3. Any attempted enforcement would be unlawful;
4. The Commission lacks jurisdiction to proceed.

### 2. PROCEDURAL DEFECTS

- a. The subpoena demands compliance by December 2, 2024, and appearance on December 6, 2024, spanning a major national holiday (Thanksgiving) and weekend.
- b. The Supreme Court has held that subpoenas must provide reasonable time for compliance. See *In re Grand Jury Investigation*, 459 F. Supp. 1335 (E.D. Pa. 1978).

### 3. IMPOSSIBILITY OF COMPLIANCE

- a. I am currently outside the USA until mid-December 2024, as previously notified to the Commission.
- b. I lack reliable internet access for Microsoft Teams meetings in my current location.
- c. The doctrine of impossibility of performance applies. See *United States v. Bryan*, 339 U.S. 323 (1950) (excusing compliance where genuinely impossible).

#### 4. DUE PROCESS VIOLATIONS

- a. The email subpoena fails to provide reasonable notice as required by *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306 (1950).
- b. The timing over a holiday period violates fundamental fairness principles established in *Mathews v. Eldridge*, 424 U.S. 319 (1976).
- c. The demanded response time is "unreasonable or oppressive" under the standard set in *United States v. Nixon*, 418 U.S. 683 (1974).

#### 5. CONSTITUTIONAL CONCERNS

- a. First Amendment associational rights are implicated, requiring heightened scrutiny under *NAACP v. Alabama*, 357 U.S. 449 (1958).
- b. The subpoena's breadth raises Fourth Amendment concerns under *Oklahoma Press Publishing Co. v. Walling*, 327 U.S. 186 (1946).

#### 6. STATE LAW VIOLATIONS

- a. The subpoena violates WAC 390-37-063's requirement for reasonable notice.
- b. RCW 42.17A.110 requires reasonable accommodation of witness circumstances.

#### 7. PATTERN OF HARASSMENT AND ADMINISTRATIVE OVERREACH

- a. The Commission's actions demonstrate a pattern of harassment as defined in *Bantam Books, Inc. v. Sullivan*, 372 U.S. 58 (1963), where the Supreme Court held that administrative actions can constitute impermissible intimidation.
- b. Specific instances include:
  - o Demanding responses over holiday weekends
  - o Ignoring previously provided information
  - o Issuing unreasonable deadlines
  - o Disregarding notice of unavailability
  - o Using administrative process for apparent retaliatory purposes

#### 8. ABUSE OF ADMINISTRATIVE PROCESS

- a. The Commission's actions violate principles established in *SEC v. Wheeling-Pittsburgh Steel Corp.*, 648 F.2d 118 (3d Cir. 1981) (condemning administrative agency's use of process for improper purposes).
- b. Multiple procedural defects exist:
  - o No proper service under Washington Civil Rules
  - o Violation of due process under RCW 34.05 (Administrative Procedure Act)
  - o Failure to follow own procedural rules under WAC 390-37
  - o Attempted enforcement without court order
  - o Refusal to acknowledge prior responses

## 9. DUE PROCESS VIOLATIONS UNDER STATE AND FEDERAL LAW

- a. The Commission's actions violate fundamental fairness requirements established in:
  - o *Goldberg v. Kelly*, 397 U.S. 254 (1970) (requiring adequate notice and opportunity to respond)
  - o *Ohio Bell Telephone Co. v. Public Utilities Commission*, 301 U.S. 292 (1937) (condemning administrative harassment)
  - o *Washington ex rel. LaMon v. City of Westport*, 73 Wn. App. 130, 136-40 (1994) (requiring fundamental fairness in administrative proceedings)

## 10. EVIDENCE OF IMPROPER PURPOSE

- a. The timing and manner of Commission actions suggest improper motivation:
  - o Issuing demands immediately after holiday
  - o Requiring impossible compliance timeframes
  - o Ignoring reasonable accommodation requests
  - o Escalating demands despite prior compliance
  - o Using administrative process for apparent political purposes

## 11. VIOLATION OF ADMINISTRATIVE FAIRNESS DOCTRINE

12. a. The Commission's actions violate principles established in:
  - o *Citizens to Preserve Overton Park v. Volpe*, 401 U.S. 402 (1971) (requiring rational administrative action)
  - o *Burlington Truck Lines v. United States*, 371 U.S. 156 (1962) (condemning arbitrary administrative action)
  - o *Cornelius v. NAACP Legal Defense & Ed. Fund*, 473 U.S. 788 (1985) (prohibiting viewpoint discrimination)

WHEREFORE, I respectfully request relief:

1. The subpoena be quashed as procedurally defective and impossible to comply with;
2. Alternatively, a protective order extending compliance dates until after my return to the United States in mid-December 2024;
3. Any response or appearance be scheduled with reasonable notice after my return;
4. The Commission cease its apparently retaliatory conduct following my initial response.
5. An order requiring the Commission to cease harassment and improper use of administrative process;
6. A finding that the Commission's actions constitute an abuse of process;
7. A protective order preventing further retaliatory administrative action;
8. Referral to appropriate oversight authorities regarding Commission conduct;
9. Preservation of all rights to seek legal remedies for harassment and abuse of process.
10. Declaration that attempted email service is void and ineffective;
11. Order prohibiting future attempted email service without express consent;
12. Sanctions for knowing violation of service requirements;
13. Costs associated with responding to improperly served documents.

Hello Mr. Jensen,

After a review of the reporting record for the 2024 Rylee Fleury campaign it has been determined there are some issues that need further review. PDC staff have opened a case against you and the Case Number is 166343. Please reference this case number on any future communications with the PDC regarding this complaint and monitor this email address for future messages.

**ALLEGATION(S):**

1. **As the campaign's Ministerial Treasurer, and signatory to the campaign reports, you were responsible for the following:**
  - **Per WAC 390-16-207, you did not report an in-kind contribution from yourself for fair-market value of shipping containers and use of property related to commercial advertising for the Rylee Fleury campaign.**
  - **Per WAC 390-16-207, you were aware of and knowingly did not report an in-kind contribution from Michael McDaniel for banners, fair-market value for the use of a hi-lift, and other construction related materials, for commercial advertising for the Rylee Fleury campaign.**
  - **For a contribution from Peers Constitutional Study and Lecture Session on 7/30/24 in the amount of \$300, the reporting of this entity did not conform to requirements outlined in WACs 390-16-308 or 390-16-034.**
  - **For a contribution from Savi Bank VP on 8/27/24 in the amount of \$1,200, the reporting of this entity did not conform to requirements outlined in WAC 390-16-308.**
  - **For a contribution from Schreur Farm Trust on 10/01/24 in the amount of \$1,000, the reporting of this entity may not have conformed to requirements outlined in WACs 390-16-308 or 390-16-034. We need more information about the entity making the contribution.**
2. **You made a personal contribution to the campaign on 8/27/24 (General) for \$150, you then also made contributions through your sole proprietorship, Valley Investments, on 5/9/24 (Primary) for \$500, 10/7/24 (General) for \$1,200, and 6/5/24 (Primary) for \$700. The contribution limit for an individual and a sole proprietorship are shared, per WAC 390-16-310(4). In this instance, there is evidence that you exceeded the maximum contribution limit for the General Election when you made the \$1,200 contribution on 10/7/24 through your sole proprietorship Valley Investments.**
3. **Contributions to the Rylee Fleury campaign were made by Beachley Heights LLC, Country Cousins, Inc., Full Circle Container Service, Inc., Hwy 20 Properties LLC, Rainbow Ranch Properties LLC, SnoCo LLC, and Tulip Time LLC. There is evidence that all of these entities are associated with you and may constitute over limit contributions per WAC 390-16-309. We need more information to determine if these contributions were over limit.**

**TO DO:**

1. Please provide your written response to the allegations above by **Thursday, March 13, 2025**. When providing your response, reply directly to this email.
2. For the contributions from Savi Bank VP and the Schreur Farm Trust, provide a copy of the contribution checks.
3. For the contribution identified in the reporting as coming from Peers Constitutional Study and Lecture Session, tell me more about this group and specifically how the funds were raised and attributed.
4. For the entities outlined in #3, provide the following information:
  - Are any of the entities a subsidiary of another?
  - Does any one of the entities own a controlling interest in the voting stock or securities of any of the other entities?
  - Do any of the entities have authority or the ability to direct or participate, other than through a vote as a member, in the governance of any of the other entities through provisions of constitution, bylaws, contract or other formal or informal procedure?
  - Do any of the entities have authority or the ability to hire, appoint, demote or otherwise control, other than through a vote as a member, the officers or other decision making employees or members of any of the other entities?
  - Do any of the entities have a common or overlapping membership with any of the other entities which indicates either a formal or ongoing relationship between the entities?
  - Do any of the entities provide, cause or arrange, funds, services or goods through direct or indirect means to any of the other entities?
5. If you find that filing or amending PDC reports will address the allegation(s), please also be sure to address the reporting by Thursday, March 13, 2025. If you need assistance with filing, call 360-753-1111.

For more information about the enforcement process, please see our [Enforcement Guide](#).

Please note that all written communications with the PDC are subject to public records requests, unless specifically exempted by RCW 42.56.

We will reach out to you at this email address when there are updates to your case. Additionally, there is a subscription feature available from each case record on our Enforcement Cases page by which you can subscribe to be notified of any changes to the content posted online.

**You requested that respond by email.**

I will do the best I can to respond by email, but I don't always have a scanner available to scan documents especially when I traveling. I am leaving for an out of country trip planned some time ago and service is uncertain for email. I will be returning to the USA on March 26, or 27 2025. Here are the answers to your questions that I was able to get as of today.

Item 1. On the front page – Here are the response.

1. The first 2 bullet points here are relating to the container and banner. This issue was addressed before. You should know that it was as simple as someone asking to use the side of the containers and me saying yes. That was about the end of it. This is not a commercial billboard with a history of fixed rental rates and has never been rented for that purpose in the past. I saw signs on the sides of buildings, 4x8 sheets of Plywood, yard signs arranged in all sorts of manors and no one has ever asked me the value when I let them use my others spaces in the past and I never charged anyone for any political space ever.

The is also a letter from Micheal McDaniel included on this topic being sent by mail. I have to pay someone to scan and there is no money in the account. The bank account has been closed and I am worried that whatever I do now will also be a donation to the campaign and you claim am over limit.

2. Peers Group, I went back to the members and asked if they could help me and Linda Fussell said she was the one that had made the contribution. The group is a group that studies the constitution and other events of the day. Her address is as follows:  
Linda Fussell  
P.O. Box 103

Clear Lake, WA 98235

3. Savi Bank- still working on
4. Schreur Farm Trust a copy of the check is included. I had called the office of the PDC and was told that it was totally ok to make contributions from multiple entities with the same owner. Deanna MCDougle is the person that wrote this check from that entity.

Item #2 front page

The item of \$150.00 over the limit should be classified as a loan and that would put me with in the \$1,200.00 per election cycle limit. I must have made this mistake. May I make this change?

Item # 3 front page

I was told by PDC staff that all these entities with a separate formation with the Secretary of State could each make their own contributions. I am also told that there is case law that proves this is the case and is the reason there should be no question about these donations. However Stacey Harding with Full Circle has signing authority and manages the company Full Circle Container Service Inc. I have also sent you a copy of this check by mail.

Sincerely,

Larry R Jensen

PS. Please note that any communications during this time will likely go unanswered because I am out of the USA and unlikely will be able to access emails.

External Email

The help by Scott Haley and others has been very helpful.

We will be filing some more corrections, changes and responses on Monday. I am convinced that donations from my multiple entities are entirely without violation. The one from me was refunded by the campaign in the amount of \$247.25 and I will submit that information tomorrow to clear up the amount to cover the overdraft \$97.25 and the \$150.00

This was a real learning experience for me and I am hoping that with the changes, corrections, and additions all the problems will be resolved.

I know with the things that we have to do on Monday I think there will be no longer any over the limit contributions. I still need help on Monday to complete these things.

Once these are done we will contact Tonya with the details or she will be able to see them on line.

Thank you for your patience.

Larry

Hello Mr. Jensen,

I have finally been able to review the materials you've submitted. Please see my follow-up below.

1. The issue related to the contribution by the Schreur Farm Trust is resolved and there is nothing further for you to do. Because you provided the check for the contribution from the Trust this was adequate evidence to support that the Trust and the personal contribution from Ms. McDougle were from legally separate entities and not over-limit.

2. For the contribution, originally identified as coming from Peers Constitutional Study and Lecture Session on 7/30/24 for \$300, you previously indicated that contribution came from Linda Fussell but provided copies of checks from Pamela Granahan (\$250) and Norman Jenkins (\$50). I now do not see a contribution attributed to Peers Constitutional Study and Lecture Session but do see the following:

- A contribution from Linda Fussell for \$300 is reported as received on 7/30/24, submitted 5/9/25 on C-3 #110233817.
- A contribution from Pamela Granahan for \$250 is reported received on 10/1/24, submitted 10/12/24 on C-3 #110251155
- There are no contributions from Norman Jenkins.

Please help me understand what has occurred with the \$300 contribution in our reporting system.

3. The contribution from Savi Bank VP continues to be reported as coming from this entity but this is not an allowable contributing entity. You've provided no further information about this contribution nor amended the reporting record. Please provide a copy of the check for this contribution or provide an explanation for this contribution so I can better understand where this contribution came from.

4. For the \$150 contribution from yourself that we have identified as being an over limit contribution, you previously indicated the contribution should have been classified as a loan and that you were going to correct the reporting record. There was reporting of a loan for \$150 on 5/12/25, C-3 #110284492, but this was backed out to \$0 via multiple amendments. Neither the C-3, #110251156, submitted on 10/12/24 for the period 8/28/24, nor the C-4, #110251164, submitted on 10/12/24 for the period 7/30/24-8/31/24, have been amended to address the \$150 contribution so it remains in the record and this continues to cause the over-limit contribution issue. I see that you have been working with Scott here at the PDC, what has he advised you to do about this issue?

Please respond by **Monday, June 2, 2025**.

Thank you,

Tanya

Hello Tanya,

1. Ok... done
2. It is my recollection that the \$300 was a cash donation that you had asked me about that I had recorded from the Peers Study group, which you said was not allowed from them and when I went back to track it down it was from Linda Fussell. There is nothing more I can add.
3. I entered the detail of this information in the system, but I could not update the information as the portal was closed. You should be able to read in that system but if you will let me update it by opening the portal I will try to update. It was not a check but cash that was received. The person was Ms Bouza, I had entered her employment as opposed to her name.
4. There were 2 amounts that might have put me over personally (Personally I don't think so but the repayment should take care of this issue). The \$150.00 you asked about and the \$97.25 that I took out of my pocket to close the bank account as it was overdrawn when I went to the bank. These 2 amounts have been paid back by the candidate to me to zero out the loans. Scott Haley helped me with the entry into the system for the \$150.00 amount and that was adjusted correctly according to him. He also tried to instruct me how to make the entry into the system for the \$97.25 to zero it out, but the system would not take it as he suggested. He was going to look into it and make the correction.

All items should be closed as there is nothing more I can add.

Larry Jensen,

Right now, the amended reports for Rylee Fleury's 2024 election campaign shows contributions from Valley Investments, \$500, \$700, and \$1,200, a \$150 contribution from you, and a \$97.25 loan to the campaign from you. That takes you above the contribution limit of \$1,200 per election for the primary and general elections of 2024. When we spoke on the phone, you mentioned the candidate paying back some of this from his own funds. If you remind me about the payment(s) by the candidate, I can assist you to report them.

I understand that you've had trouble with reporting a contribution by a Ms. Bouza to Rylee Fleury's campaign. I'm available to assist you with that.

If the campaign received in-kind contributions of political advertising (advertising that would normally cost money being provided for free), I can assist you to report that.

For assistance with any of this, please reply to this message or call me at (360) 580-8637.

Thank you,

Yes he paid me back for the total of those two amounts \$247.25

Yes the other \$1200 I think I showed it from her employer by mistake. It was from his wife. I don't know what else I can do. I have no more time to spend on this as I resigned months ago.

I am working 70 hours a week now.

Thanks for your help!

Hello Mr. Tacker,

Do you know how I can get into contact with Michael McDaniel? Mr. Fleury has indicated that the banners were paid for by Mr. McDaniel and I would like to get in to contact with him.

I'd also like to contact the land owner where the banners are erected. Can you provide me the address where the banners are located or the name of the land owner?

Thank you,

Tanya

I don't have Mike's personal number, but he owns and manages Ideal Rental in Mount Vernon. 360 424-3224.

The containers are adjacent to Highway 20, the property address is 13027 Young Road, and the property owner is Larry R Jensen who is Rylee's campaign treasurer and major financial backer. He's donating (legally) through at least four LLCs, Valley Investments, Tulip Time, Country Cousins and Rainbow Ranch Properties. Larry has a beef with Ron Wesen who's the District 1 Commissioner here, so I guess he feels like sponsoring a young kid that really doesn't know much in hopes he'll become a commissioner and loyal friend is a smart investment 🤔👍
