#### BEFORE THE PUBLIC DISCLOSURE COMMISSION OF THE STATE OF WASHINGTON

In RE COMPLIANCE WITH  
RCW 42.17A

Tobacco-Free Action Fund,  
Respondent

PDC Case 166185

Report of Investigation

#### **I. Background, Allegations/Complaints, and Response to Complaints**

##### **a. Relevant Law**

- 1.1 **RCW 42.17A.640** requires persons to register and report as a sponsor of a grassroots lobbying campaign when the person's expenditures exceed \$1,500 in any one-month period or \$3,000 in any three-month period in presenting a campaign to the public, a substantial portion of which is intended, designed, or calculated primarily to solicit, urge, or encourage the public to influence legislation.
- 1.2 **WAC 390-20-125** makes PDC Form L-6 the official report for registration and reporting by sponsors of grassroots lobbying campaigns. The rule states that grassroots lobbying, also known as indirect lobbying, involves an appeal to the public to influence legislation in ways stated or implied by the sponsor of the grassroots lobbying campaign. The rule states that grassroots (indirect) lobbying is distinguished from direct lobbying of a legislator, state official, or state agency, which may require registration and reporting separately, pursuant to RCW 42.17A.600 and 42.17A.615.

## **b. Complaint**

1.3 On Jan. 22, 2025, a complaint was filed with the Public Disclosure Commission (PDC) alleging the “Campaign for Tobacco-Free Kids” began sponsoring digital Facebook advertisements “on or around Jan. 10, 2025.” According to the complaint, the advertisements were designed to influence the passage of legislation restricting the sale of certain tobacco and nicotine products. **(EXHIBIT 1)**. The complaint included allegations that (1) the organization’s spending on the advertisements exceeded \$1,500 and that (2) the organization had not filed an L-6 report.

## **c. Response to Complaint**

- 1.4 PDC Staff initially directed the complaint to contacts found on the website [www.tobaccofreekids.org/about/our-team](http://www.tobaccofreekids.org/about/our-team), but received no response. **(EXHIBIT 2)**
- 1.5 On Feb. 12, 2025, Nicole Mack, a staff member with the Tobacco-Free Action Fund, requested information from PDC filer assistance staff on filing L-2 and L-6 reports. **(EXHIBIT 3)**
- 1.6 On March 11, 2025, PDC staff received a call from Jason Bennett, president of Argo Strategies, and learned Bennett had been retained by the Tobacco-Free Action Fund and would respond to the complaint. Argo Strategies provides treasury and compliance services to candidates, campaigns, and similar entities in Washington state.
- 1.7 In a response dated March 14, 2025, and received by PDC staff on March 18, 2025, Bennett stated “[a]fter email and phone call exchanges with the PDC to obtain guidance on how to ensure proper and accurate reporting, the registration and first month L-6 report was filed on March 11, 2025. Per guidance from the PDC, subsequent monthly reports will detail grassroots lobbying expenses on the monthly L-2 report of one of our lobbyists, Andrew Estep, since the ads are paid 100% out of existing general treasury funds.” **(EXHIBIT 4)**.
- 1.8 On March 11, 2025, an L-6 was filed by the group Tobacco-Free Action Fund, reporting \$289,585.90 in expenditures between Jan. 1 and 31, 2025. **(EXHIBIT 5)**

## **d. Initial Hearing (Case Status Review)**

1.9 Pursuant to RCW 42.17A.755 and WACs 390-37-060 and 390-37-071, after having conducted a preliminary review and assessment of the complaint alleging the a violation of RCW 42.17A.640 by failing to timely register and report expenditures of a grassroots lobbying campaign, PDC staff opened a formal investigation and held an Initial Hearing (Case Status Review) on May 16, 2025 against respondent Tobacco-Free Action Fund.

## II. Investigative Findings

- 2.1 Pursuant to RCW 42.17A.640(2)(a)(i)(A), the sponsor of a grassroots lobbying campaign must register and file an L-6 report within 24 hours of the initial presentation to the public when that occurs during the period beginning 30 days before the regular legislative session through the end of that session, or during any special session.
- 2.2 Tobacco-Free Action Fund filed an L-6 on March 11, 2025. The L-6 listed the topics of the campaign as “Senate Bill 5183/House Bill 1203 - prohibiting the sale of certain tobacco and nicotine products.” The L-6 covered the period of January 1 – 31, 2025, reported \$289,585.90 in expenditures, and contained two checked boxes (for “registration” and “monthly report”). **(EXHIBIT 5)**
- 2.3 Tobacco-Free Action Fund amended its January 2025 L-6 report on May 12, 2025. The amended report listed the dates the digital advertisements and billboards were launched as Jan. 1, 2025. The original L-6 report was filed 68 days late. The amended report was submitted 130 days late. **(EXHIBIT 6)**
- 2.4 As noted in the complaint response **(EXHIBIT 4)**, monthly L-2 reports were filed by lobbyist Andrew Estep, working for lobbyist employer Cedar Strategies LLC.
- 2.5 Four L-2 reports were filed by Cedar Strategies LLC covering the months of February, March, April and May 2025. The L-2 reports listed the client/employer as Tobacco-Free Action Fund and detailed total expenses of \$255,379.58 in February, \$553,750 in March, \$201,875 in April and \$10,000 in May. The February, March, and April reports identified campaigns during the time period as “Prohibiting Flavored Vapes” and “Banning Flavored Vapes.” The lobbying subject areas were HB 1416, HB 1203 and SB 5183. **(EXHIBIT 7)**
- 2.6 L-2 reports are due the 15<sup>th</sup> of the month following the activity. The February report was filed timely March 15, 2025, the March report was filed timely April 16, 2025, the April report was filed timely May 15, 2025, and the May report was filed five days late on June 23, 2025.
- 2.7 In total, Tobacco-Free Action Fund reported close to \$1.31 million on direct and indirect lobbying during the 2025 legislative session.
- 2.8 Tobacco-Free Action Fund has been listed in PDC reports as a lobbying client since 2019.

<b>Complaint Description</b>
<p><a href="#">Conner Edwards</a> reported via the portal (Wed, 22 Jan 2025 at 11:17 AM)</p> <p><b>Description of Complaint</b></p> <p>See attached complaint.</p> <p><b>Notice to Respondent</b></p> <p>I apologize to you for any inconvenience caused by this complaint. The chance that you will actually be fined for the violations identified above is extremely small because the agency is averse to doing the work necessary to bring cases to hearings. Most likely this case – and any future cases against you – will simply be dismissed by staff.</p> <p>This complaint is one of hundreds that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state’s campaign finance laws.</p> <p>What are these shortcomings?</p> <p>Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate the regulated community about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.</p> <p>I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency’s problems become impossible to ignore.</p> <p>Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <a href="https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/">https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/</a></p> <p>If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.</p> <p>“I am no longer accepting the things I cannot change. I am changing the things I cannot accept.” — <b>Angela Davis</b></p>
<b>What impact does the alleged violation(s) have on the public?</b>
See complaint. The PDC has an obligation to provide transparency to the voters by enforcing disclosure requirements. The agency’s failure to actively monitor compliance with these requirements and enforce them damages both the public and members of the regulated community.
<b>List of attached evidence or contact information where evidence may be found</b>

<b>Certification (Complainant)</b>

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

The U.S. FDA today issued a proposed rule to limit nicotine levels in cigarettes and other smoked tobacco products to minimally addictive or non-addictive levels. This is a game-changing proposal that would have huge public health benefits.

The FDA estimates it would prevent 48 million youth and young adults from becoming smokers this century, prompt 19.5 million smokers to quit ...

**“** This is a truly game-changing proposal that would accelerate declines in smoking and save millions of lives from cancer, cardiovascular disease and other tobacco-related diseases if it is implemented.

System status ✓

**Complaint Against: Campaign for Tobacco-Free Kids**

**Submitted:** 1/22/25

**Notice to Respondent Due By:** 2/1/25 per WAC 390-37-050(1)

**90 Day Initial Hearing Deadline:** 4/22/25 per RCW 42.17A.755(3)

**Statutes Violated:** RCW 42.17A.640, see WAC 390-20-125

**Background**

**Washington State’s Grassroots Disclosure Law**

One of the primary purposes of the public disclosure law is to provide citizens of this state, and especially voters, with the means for becoming informed about the financing of grassroots lobbying campaigns. The public disclosure law was enacted through voter approval of Initiative 276 in 1972. A subsequent amendment to that law relating to grassroots lobbying was passed in 2023 when Governor Inslee signed HB 1317 into law.

Any person or entity making grassroots lobbying expenditures not reported by a registered lobbyist, a candidate, or a political committee exceeding \$1,500 in the aggregate in a one-month period or exceeding \$3,000 in the aggregate in any three-month period must register as a sponsor of a grassroots lobbying campaign.<sup>1</sup>

A campaign must register and file its initial grassroots lobbying report (PDC Form L-6) within 24 hours of the initial presentation to the public when that occurs during the period beginning 30 days before the regular legislative session through the end of that session, or during any special session. Any other time of the year, grassroots lobbying campaigns must register with the PDC within five days of the initial presentation to the public. Thereafter, sponsors file monthly reports on the 10th of the month covering the preceding calendar month.

Additionally, the PDC recently implemented WAC 390-20-125, which requires (among other things) the sponsors of grassroots lobbying campaigns to itemize expenditures. These expenses are of particular public interest as they relate to outreach efforts that members of the public will directly experience.

**Violations**

Beginning on or around January 10, 2025, the organization “Campaign for Tobacco-Free Kids” began sponsoring digital Facebook advertisements designed to influence the passage of legislation restricting the sale of certain tobacco and nicotine products (see HB 1203 / SB 5183).

This ad campaign was timed to coincide with commencement of the 2025 legislative session. Based on the information available through the Facebook ad library, the amount the organization has spent on this campaign far exceeds \$1500. See attached.

Despite this, this organization has filed no L6. See attached list of all L6s ever filed with the PDC, sorted chronologically with most recently filed reports appearing first. It does not appear that a reported lobbyist for the organization has reported these expenditures either. See attached.

---

<sup>1</sup> <https://www.pdc.wa.gov/registration-reporting/lobbying/grassroots-lobbying>

## **Conclusion**

I urge the PDC staff to take quick action and resolve the noncompliance identified in this complaint.

Best,

/s/

## **Notice to Respondent**

I apologize to you for any inconvenience caused by this complaint. The chance that you will actually be fined for the violations identified above is extremely small because the agency is averse to doing the work necessary to bring cases to hearings. Most likely this case – and any future cases against you – will simply be dismissed by staff.

This complaint is one of hundreds that I have filed to highlight and ultimately fix the significant shortcomings associated with the agency responsible for administering our state's campaign finance laws.

What are these shortcomings?

Overcomplicated and outdated requirements that are difficult to understand and comply with. Failure to properly educate the regulated community about the tasks they must perform to remain in compliance with applicable requirements and avoid complaints. Failure of the agency to send regular reminders to filers about pending deadlines. A failure to proactively enforce applicable requirements which enables the complaint system to become weaponized. Non-intuitive, non-user friendly, and buggy reporting software. Failure to meaningfully enforce core requirements. Failure to follow the best operating practices of other neighboring campaign finance agencies. An agency leadership structure that largely disregards stakeholder input and is slow to identify and resolve major agency deficiencies.

I believe that the best way to motivate the agency to address these problems is by filing a large number of complaints so that the agency's problems become impossible to ignore.

Slowly (too slowly) this strategy is starting to yield concrete and beneficial changes. You can read about these changes here: <https://www.seattletimes.com/seattle-news/politics/why-one-man-filed-800-campaign-finance-complaints-against-wa-candidates/>

If you believe that the agency could have done something different to help you proactively avoid the issues identified in this complaint, I hope that you will consider including it in your response. The agency, and the public, can benefit from your perspective and feedback.

“The journey of a thousand miles begins with a single step.”

## Get help filing reports -

Hello,

I am reaching out for clarification regarding the filing requirements for the L2 and L6 forms in Washington State. Specifically, I would appreciate guidance on the following:

1. Filing Timeline for L2 and L6 Forms- When should our organization file the L2 (Grassroots Lobbying Report) versus the L6 (Lobbyist Employer Report)? Are the specific deadlines or trigger that determine when each form should be filed?
2. L2 Form and 24- hour Reporting- Should the L2 Form be used for 24-hour reporting of lobbying activities? If not, that form or process should be followed for 24-Hour reporting?
3. Lobbying Activities Requiring 24-Hour Reporting- What specific lobbying activities must be reported within 24 hours?
4. Disclosure Requirements for Grassroots Lobbying- For grassroots lobbying communications, is stating "Paid for by Tobacco-Free Kids Action Fund" sufficient, or must we also list the top five contributors?
5. Purpose of the L6 Form- Is the L6 Form only required for initial registration, or does it need to be filed periodically?

Your guidance on these questions would be greatly appreciated to ensure compliance with PDC Regulations. Please let me know if a call would be helpful to discuss further.

Thank you for your time and assistance.

Best,

Nicole Mack

Hello Nicole,

Lobbyists can relieve their employers from the responsibility of filing an L-6 report by including grassroots lobbying expenditures on their L-2 reports, *provided* that the grassroots campaign is financed out of the employer's existing funds. If the employer conducts a special fundraising effort or accepts funds from other sources to finance the grassroots lobbying, L-6 reporting is required (and expenses would not be included on the L-2).

If it is the time of year where L6 reports are due within 24 hours of the initial presentation to the public (beginning 30 days before the regular legislative session through the end of that session, or during any special session, or within five days of initial presentation at any other time of year) then we recommend filing the L2 report early and you can always amend the report to include the rest of the month's activity.

For L6 reports, the due date is within 24 hours of the initial presentation to the public when that occurs during the period beginning 30 days before the regular legislative session through the end of that session, or during any special session, or within five days of initial presentation at any other time of year, with aggregate spending exceeding \$1,500 in a single month or \$3,000 in any three-month period.

**Monthly reporting continues through the life of the campaign. Monthly reports are due by the 10th of the following month.**

For L2 reports, these reports are filed at the end of the month, no later than the 15th of the following month. These due dates are listed on our Events calendar.

Here is our guidance about Grassroots lobbying (including sponsor identification and what needs to be included):

<https://pdc.wa.gov/registration-reporting/lobbying/grassroots-lobbying>

Hopefully this helps,

Dear Public Disclosure Commission –

Thank you for the opportunity to respond to the complaint filed on January 30, 2025 by Conner Edwards (case #166185).

Tobacco-Free Kids Action Fund, the sponsor of the ads in question, retained Argo Strategies in February to bring their grassroots lobbying reporting into compliance. After email and phone call exchanges with the PDC to obtain guidance on how to ensure proper and accurate reporting, the registration and first month L6 report was filed on March 11, 2025. Per guidance from the PDC, subsequent monthly reports will detail grassroots lobbying expenses on the monthly L2 report of one of our lobbyists, Andrew Estep, since the ads are paid 100% out of existing general treasury funds.

We appreciate the conversations and assistance the staff of the Public Disclosure Commission provided not only to Argo Strategies but also those associated with Tobacco-Free Kids Action Fund. I understand this new reporting for grassroots lobbying is a little more than a year old and I am sure there is a lot of confusion about what is now required. Lobbyist employer organizations, like Tobacco-Free Kids Action Fund, are adjusting to this new requirement and we sincerely appreciate your working with us to bring the reporting to a current state.

Thank you for allowing us the opportunity to address this matter. Please feel free to contact me at any time with any questions or concerns.

Sincerely,

Jason Bennett, Assistant Treasurer
