Hello Tabatha:

Thank you for reaching out.

1) I have amended the May C4 to list the candidate filing fee which was paid for by the candidate personally.

2) Upon internal discussion, I have determined that the $550 was actually for newspaper advertisements that ran from July 10 to July 23rd, and the report has been amended to include that information. There was a smaller unitemized charge in a different C4 reporting period that was for the digital ads, thus the mix-up.

3) The processing fees for the Efundraising Fees have already been disclosed but they do not show up as they are unitemized. As of today the total online donation fees for the entire campaign are only $162.69.

4) The website has been amended to list the full sponsor ID statement.

Please let me know if there is any additional information you need. Thank you for bringing this matter to our attention.
