Thank you for bringing this to my attention.

I did not realize that my income for 2025 was not reported correctly on my F-1 report covering 1/1/25-12/31/25. This was an honest mistake. I filed that information under “Business Interests - Other Relationships”. I have corrected that mistake and added it to the “Income” category. I have amended my 2025 F-1 report to include the income I earned through my employment at Empowering Latina Leadership and Action and ELLA Adelante.

I have filed my F-1 report each year that I have been in office. My F-1 reports covering 2023, 2024, and 2025 all report my income from outside employment. I have also amended my 2024 and 2025 F-1 report to include disclosure of the small monthly stipend I receive for holding elected office in Sunnyside.

Please let me know if there is more information you would like from me.

Thank you,
