CVCE, the committee supporting CVSD Proposition 1 (Nov 3, 2026), appears to have committed multiple reporting violations during the 2026 general election while bound by the May 30, 2024 order in Case 147918 ($500 suspended on condition of no new violations for four years). The attached complaint details each allegation with report numbers; exhibits include CVCE's reports and my signed record of an Oct 30, 2026 inspection of CVCE's books.

1. No 48-hour special reports (RCW 29B.25.140) for HALME Construction $1,500 (received Oct 13), John Parker $1,044.16 (Oct 27) and Lydig Construction $2,000 (reported Oct 13). The treasurer told me she did not know about these reports. CVCE did file one on Nov 2 for a different contributor.
2. Unpaid obligations over $750 not reported as debts: 750 yard signs, $3,540, picked up Oct 5, unpaid; Splash/Current ads, $1,550, invoiced Sep 24, ran Oct 2, left off the 21-day report. Every report shows $0 debt.
3. Contributors over $25 not identified, including the entire Sep 8, 2026 payroll-deduction deposit ($860.70, "214 persons"). The treasurer said the district provides each employee's name and amount, and that she relies on the PDC to track totals.
4. Late reports: five monthly C-4s 18-110 days late; weekly C-3s 3-13 days late; the 21-day pre-general report omitted about $9,477 until amended Oct 25.
5. Inaccurate receipt dates (payroll contributions dated 2025 instead of 2026; Lydig and Parker dates conflict with the treasurer's account).
6. Possible late deposit of July payroll deductions (deposited Sep 8), for the PDC to verify.

This is CVCE's third matter after a 2023 written warning (Case 141457) and the 2024 penalty (Case 147918). I ask the PDC to investigate, require corrected reports, obtain CVCE's bank and vendor records and the district's payroll remittance lists, collect the suspended $500, and refer the matter to the full Commission.

What impact does the alleged violation(s) have on the public?
voters couldn’t see large donors, about $9,477 in contributions, $0 reported debt against about $5,000 in unpaid bills, or the payroll donors’ names while ballots were out, and fixing the reports after Nov 3 can’t undo that

Summary

CVCE appears to have violated state campaign disclosure law repeatedly during the 2026 general election, while still bound by the May 30, 2024 order in PDC Case 147918. That order suspended $500 of a $1,000 penalty on the condition that the committee commit no further violations for four years.

The facts below come from CVCE's own PDC filings, PDC case records, and my inspection of CVCE's books of account on October 30, 2026 under RCW 29B.25.090 (Exhibit B). The apparent violations are:

1. No 48-hour special reports for contributions of $1,000 or more received in the 21 days before the election.
2. Unpaid obligations over $750 for yard signs and newspaper advertising not reported as debts; the advertising also left off the 21-day pre-general report.
3. Contributors who gave more than $25 reported only as unnamed "small contributions," including an entire $860.70 payroll-deduction deposit.
4. Monthly and weekly reports filed late, and a 21-day pre-general report that omitted about $9,477 in contributions until amended.
5. Inaccurate receipt dates.
6. A possible late deposit of payroll-deduction funds (for the PDC to verify).

This is the committee's third enforcement matter since 2023, after a written warning (Case 141457) and a penalty (Case 147918). The treasurer, Lindsay Miller, was the committee's chair during Case 147918 and responded to the PDC in that case.

Allegations

1. Required 48-hour special reports not filed (RCW 29B.25.140)

- **The rule:** during the 21 days before a general election (October 13 through November 2, 2026), a treasurer must file a special report within 48 hours when a contribution or aggregate of contributions from a single person or entity totals $1,000 or more.
- **Contributions with no special report:** CVCE's own deposit reports (C-3s) show:

Contributor	Amount	Received (per CVCE's C-3)	C-3 report	Special report due
HALME Construction	$1,500.00	Oct 13, 2026	110398719 (filed Oct 25)	Oct 15
John Parker	$1,044.16 (aggregate shown as $1,096.67)	Oct 27, 2026	110401066 (filed Oct 29)	Oct 29
Lydig Construction	$2,000.00	Oct 13, 2026	110398719 (filed Oct 25)	Oct 15

- **No special report on file:** as of November 4, 2026, the PDC's Last Minute Contributions data (data.wa.gov dataset mppc-zjn9) contains no special report for any of these contributions.
- **The treasurer's statement:** at the October 30 inspection, Ms. Miller said she did not know about these reports and did not think she had to file them (Exhibit B, Worksheet 6).
- **The committee can file them:** on November 2, 2026, CVCE filed a special report (110401747) for a $2,000 contribution from Baker Construction received that day. It has still filed none for the three contributions above.
- **Date conflict for Lydig:** Ms. Miller told me the Lydig check was deposited October 8, while the C-3 lists it as received October 13. If it was received before October 13, it falls outside the special reporting period, and the receipt date on the C-3 is inaccurate (see Allegation 5). The PDC can resolve this from the bank records.

2. Unpaid obligations not reported as debts; advertising left off the 21-day report (RCW 29B.25.100; RCW 29B.25.090)

- **The rule:** a debt or obligation over $750 must be reported once it has been outstanding more than 5 business days within the 30 days before the election (more than 10 business days otherwise). Expenditures, including those for political advertising, must be reported for the period in which they are made.
- **Yard signs.** Per Ms. Miller at the inspection (Exhibit B, Worksheet 1): 750 yard signs from Pacific Custom, ordered September 29, picked up October 5, $3,540.00, not yet invoiced or paid, and paid for by CVCE. I photographed the new signs at five locations on October 10–11 (Exhibit D).
  - Every CVCE report through October 26, 2026 (and every report filed through November 4), including the 21-day pre-general C-4 (110394604, amended as 110398723) and the 7-day pre-general C-4 (110399207, amended as 110401068), reports **$0 debt** and no sign expense.
  - Five business days after the October 5 pickup was October 12. The obligation should have appeared as a debt on the 7-day pre-general report covering through October 26 at the latest, and arguably on the 21-day report covering through October 12.

- **Newspaper advertising.** Per Ms. Miller (Exhibit B, Worksheet 3): ads in the Liberty Lake Splash and the Valley Current were ordered September 18 and invoiced by Wick Enterprises on September 24. The ads were published October 2 (Exhibit E).
  - CVCE first reported the $1,550 cost on October 26, dated October 13 (110399207). It does not appear on the 21-day report or its October 25 amendment, which cover September 1 through October 12, as an expenditure or a debt.
  - By October 12, the $1,550 invoice had been outstanding 12 business days.
- **The treasurer's statement:** asked whether there were any unpaid bills over $750, Ms. Miller said no (Exhibit B, Worksheet 4). That conflicts with her statements that the $3,540.00 sign bill and the $17,088.16 mailer bill described below are unpaid.
- **Mailer (for the PDC's follow-up):** Ms. Miller showed me an invoice from TPC (P.O. Box 957, Lewiston, Idaho) dated October 22 for a 36,550-piece mailer: $3,751.25 printing and $13,336.91 postage, $17,088.16 in total, unpaid (Exhibit B, Worksheet 2). I received the mailer October 21 (Exhibit F). The order date was not shown. This should appear as a debt on the post-general report; the PDC can determine from the order date whether it belonged on an earlier report.
- **No amendments planned:** Ms. Miller said no further amendments were planned before the election.

3. Contributors over $25 not identified (RCW 29B.25.100; RCW 29B.25.090(5))

- **The rule:** a contributor whose contributions aggregate more than $25 must be identified by name and address. Only contributors at $25 or less may be reported as a lump sum of small contributions.
- **September 8, 2026 deposit (C-3 110387940):** $860.70 was reported entirely as "Small contributions (214 persons giving)," with no names and no receipt date.
  - Ms. Miller said this deposit was the July and August 2026 payroll deductions, with 107 employees each month, and that the district sends a list of each employee's name, amount and position with each check (Exhibit B, Worksheet 5). 107 in each of two months equals the 214 persons reported.
  - Many of the same payroll contributors are itemized on CVCE's other reports with yearly totals well over $25. For example, the October 1, 2026 C-3 (110394598) lists aggregate totals of $700 (Rowell, Dufresne), $560 (Nootenboom, Tesky, Hardt) and $110 to $520 for others.
  - Ms. Miller said she does not name these contributors because the PDC keeps the running totals (Exhibit B, Worksheet 8). The duty to identify contributors over $25 rests with the treasurer.
- **Other lumped contributions that appear to exceed $25:**
  - October 24 deposit (110401067): $52.51 from 1 person.
  - October 27 deposit (110401065): $105.02 from 2 persons.
  - October 8 deposit (110398716): $63.27 from 2 persons; at least one must exceed $25.
  - John Parker's aggregate on the October 27 C-3 is $1,096.67, which is $52.51 more than his $1,044.16 contribution, yet no other 2026 contribution from him is itemized. The unnamed $52.51 deposited October 24 may be his.

4. Late reports (RCW 29B.25.090)

Monthly C-4 reports filed after their due dates. The C-3s for the related deposits (Dec 1, 2025; Jan 5, Feb 2 and Feb 27, 2026) were also filed March 30, 2026.

Period	Due	Filed	Days late
Nov 2025	Dec 10, 2025	Mar 30, 2026	~110
Dec 2025	Jan 12, 2026	Mar 30, 2026	~77
Jan 2026	Feb 10, 2026	Mar 30, 2026	~48
Feb 2026	Mar 10, 2026	Mar 30, 2026	~20
Mar 2026	Apr 10, 2026	Apr 28, 2026	~18
Sep 2025	Oct 10, 2025	Oct 17, 2025	7

Also late by 2–3 days: Feb 2025 (filed Mar 13), Aug 2025 (filed Sep 12) and Oct 2025 (filed Nov 12).

Weekly deposit reports (C-3) filed late during the pre-general period:

Deposits	C-3 reports	Due	Filed	Days late
Oct 8 and Oct 9 (incl. Stevens Clay $3,500, ALSC Architects $2,500, Ed Champagne $1,566.08)	110398716, 110398717, 110398718	Mon Oct 12	Oct 25	13
Oct 13, 14 and 16 (incl. Lydig $2,000, HALME $1,500)	110398719, 110398720, 110398721	Mon Oct 19	Oct 25	6
Oct 24	110401067	Mon Oct 26	Oct 29	3

The 21-day pre-general report was understated. As filed October 12 (110394604), it reported $1,549.05 in receipts for September 1 through October 12. CVCE amended it October 25 (110398723) to $11,026.34, adding about $9,477 received October 3–9 that the public could not see when ballots went out. The 7-day report was also amended, on October 29 (110401068), to add the October 24 deposit. Asked why, Ms. Miller said the amendments were to capture other expenditures.

5. Inaccurate receipt dates (RCW 29B.25.100)

- The October 1, 2026 C-3 (110394598) lists the payroll contributions as received **September 30, 2025** instead of 2026.
- Lydig Construction: reported received October 13; Ms. Miller said it was deposited October 8 (Allegation 1).
- John Parker: reported on a C-3 for an October 27 deposit; Ms. Miller said it was deposited October 29.

6. Possible late deposit (RCW 29B.25.060), for the PDC to verify

Ms. Miller said the September 8 deposit was the July and August payroll deductions and that the district sends a check about every 30 days. If CVCE received the July check in early August, depositing it September 8 exceeds the five-business-day deposit requirement. The September 8 C-3 gives no receipt date. The PDC can verify from the district's remittance dates.

Books of account inspection (RCW 29B.25.090(6); WAC 390-16-043)

I requested an inspection by email on October 27, 2026; Ms. Miller agreed, and we met October 30, 2026, from about 2:51 to 3:19 p.m. (Exhibits B and C). The meeting was cordial. For the PDC's information:

- The books were shown only on Ms. Miller's laptop. Photographs and copies were not allowed, which the rule permits.
- I saw the ledger, the mailer invoice and postage receipt, and a spreadsheet of payroll contributors on screen.
- No bank statements, deposit slips, sign invoice, payment records or most receipts were shown. Ms. Miller said she did not have to provide bank statements and that documents had not been requested; my October 27 email asked for "deposit records and any bills, invoices, or obligations for signs, printing, mailing, and advertising."
- WAC 390-16-043 provides that the books include a ledger and source documents. I ask the PDC to obtain the source documents directly.

Prior enforcement history

- **Case 141457 (2023), complainant Glen Morgan:** late and inaccurate C-3 and C-4 reports for the 2018, 2020 and 2021 elections. Resolved with a formal written warning under WAC 390-37-060(1)(d), stating that the PDC expected all future reports to be timely and accurate.
- **Case 147918 (2024), complainants Conner Edwards and Dennis Reed:** violation of RCW 42.17A.235 and .240 found after a May 2, 2024 brief enforcement hearing (Exhibit G).
  - CVCE listed a $41,636.13 deposit on a C-4 with no corresponding C-3. On April 23, 2024, before the hearing, it filed 49 reports at once.
  - CVCE's February 7, 2024 response said the committee "has had a significant change in leadership recently and no one, unfortunately, had any experience in PDC reporting."
  - On April 16, 2024, **Lindsay Miller, signing as "Committee Chair,"** wrote that the committee had "not submitted the monthly payroll deductions from May 2021 until December 2023," and asked the PDC for contact information for its reporting assistance team.
  - Penalty $1,000, with $500 suspended on the condition that the respondent "not commit any further violations of Chapter 42.17A RCW or Title 390 WAC within four years of the date of this Order" (entered May 30, 2024).

Every allegation above falls within that four-year period. The pattern is the same as in 2024: payroll-deduction contributions reported late or without names, and campaign spending in use without timely reporting. Ms. Miller, who handled the 2024 response as chair, now prepares the committee's books and reports herself as treasurer.

The 2024 order provides that the suspended penalty is not to be assessed based solely on a remediable or minor violation or an error suited to technical correction. The violations here are not of that kind: the special reports and debts were required to be public before the election, so voters could not see them when they mattered, and filing them now cannot cure that. They are also numerous and repeat the conduct at issue in 2024.

Relief requested

1. Investigate the allegations above.
2. Require CVCE to file the missing special reports, report the sign, advertising and mailer obligations as debts or expenditures for the correct periods, correct the inaccurate dates, and amend its reports to identify every 2026 contributor whose aggregate exceeds $25, including those in the September 8, 2026 deposit.
3. Obtain CVCE's bank statements, deposit records, vendor invoices and the district's monthly payroll-deduction remittance lists, and the treasurer's records of small contributors.
4. Find that the condition in the May 30, 2024 order in Case 147918 was not met, and collect the suspended $500 as the order provides.
5. Treat these as repeat violations under WAC 390-37-182 and WAC 390-37-143, and refer the matter to the full Commission. A 2023 warning and a 2024 penalty did not change the committee's practices, and the committee reported about $35,700 cash on hand on October 26, 2026, so a brief-enforcement penalty is unlikely to deter future violations.

BEFORE THE PUBLIC DISCLOSURE COMMISSION
OF THE STATE OF WASHINGTON

In Re: Compliance with RCW 42.17A Central Valley Citizens for Education, Respondent.	PDC Case 147918 Findings of Fact, Conclusions of Law, and **Order Imposing Fine**

Pursuant to the notice of brief enforcement hearing (brief adjudicative proceeding) sent to Central Valley Citizens for Education on March 29, 2024, a brief adjudicative proceeding was held on May 2, 2024 remotely from Olympia, WA. The purpose of the hearing was to consider whether Central Valley Citizens for Education violated RCW 42.17A.235 and .240 for failure to timely and accurately file Monetary Contribution (C-3) reports and Summary Full Campaign Contribution and Expenditure (C-4) reports, disclosing contributions and expenditures undertaken by the Committee as required by committees registered under the "Full Reporting" option.

The hearing was held in accordance with Chapters 34.05 RCW, 42.17A RCW and Chapter 390-37 WAC. Commissioner Nancy Isserlis was the Presiding Officer, and Commissioner Allen Hayward attended. The Commission staff was represented by Compliance Coordinators Jordan Campbell and Colin Peeples and Compliance Officers Alice Fiman, Jennifer Hansen and Kurt Young. The Respondent participated in the hearing and submitted written materials.

Having considered the evidence, the Presiding Officer finds as follows:

FINDINGS OF FACT

1. Central Valley Citizens for Education (CVCE) participated in the February 2024 Special Election and has been registered with the PDC dating to 2009.

2. On Jan. 24, 2024, PDC staff received a complaint filed by Conner Edwards alleging CVCE violated RCW 42.17A.235 and .240 by failing to timely and accurately file Monetary Contribution (C-3) reports and Summary Full Campaign Contribution and Expenditure (C-4) reports, disclosing contributions and expenditures undertaken by the Campaign as required by campaigns registered under the "Full Reporting" option.

3. On Jan. 25, 2024, PDC staff received a complaint filed by Dennis Reed alleging CVCE violated RCW 42.17A.235 and .240 by failing to timely and accurately file Monetary Contribution (C-3) reports and Summary Full Campaign Contribution and Expenditure reports (C-4) reports, disclosing contributions and expenditures undertaken by the Campaign as required by campaigns registered under the "Full Reporting" option.

4. In response to the complaints, CVCE filed six reports for the 2024 Special Election. On a C-4 report filed Feb. 4, 2024, CVCE listed $41,636.13 cash received during the reporting period, with a Jan. 12, 2024 deposit of $41,636.13. However, there is no corresponding C-3 that shows a Jan. 12, 2024 deposit itemizing this contribution.

5. On April 23, 2024, prior to the hearing, CVCE filed 49 PDC reports, bringing the Committee into full compliance.

CONCLUSIONS OF LAW

Based on the above facts, as a matter of law, the Presiding Officer concludes as follows:

1. This matter was duly and properly convened, and all jurisdictional, substantive, and procedural requirements have been satisfied.

2. Central Valley Citizens for Education violated RCW 42.17A.235 and RCW 42.17A.240 by failing to timely and accurately file all C-3 and C-4 reports disclosing contributions and expenditures undertaken by the Campaign as required under the "Full Reporting" option.

ORDER

ON the basis of the foregoing Findings of Fact and Conclusions of Law,

1. **IT IS HEREBY ORDERED that the Respondent is assessed a total civil penalty of $1,000 in accordance with the Brief Enforcement penalty schedule set forth in WAC 390-37-143.**

2. **It is further ordered that $500 of the $1,000 penalty is suspended on the following conditions:**

    a. **The Respondent does not commit any further violations of Chapter 42.17A RCW or Title 390 WAC within four years of the date of this Order. The suspended penalty shall not be assessed based solely upon any remediable violation, minor violation, or error classified by the Commission as appropriate to address by a technical correction.**

    b. **The Respondent pays the $500 non-suspended civil penalty within 30 days of the date of this Order.**

3. **It is further ordered that, if the Respondent fails to comply with any of the above conditions:**

    a. **The full $1,000 penalty shall immediately become due without further action by the Commission and PDC Staff is directed to refer the matter to collections and/or commence other legal proceedings as authorized by RCW 42.17A and 390 WAC.**

This is an **Initial Order** of the Public Disclosure Commission.

Entered this 30th day of May, 2024.

Memorandum

To: Public Disclosure Commission

From: Alice Fiman, Compliance Officer

Date: May 2, 2024

Subject: Central Valley Citizens for Education Hearing Memorandum: PDC Case 147918

Allegations:

PDC staff alleges Central Valley Citizens for Education (CVCE), a ballot proposition committee supporting the Central Valley School District proposals before voters in the March 2024 special election, violated RCW 42.17A.235 and .240 by failing to timely and accurately file Monetary Contribution (C-3) reports and Summary Full Campaign Contribution and Expenditure (C-4) reports, disclosing contributions and expenditures undertaken by the Campaign as required by campaigns registered under the "Full Reporting" option.

Background:

- Central Valley Citizens for Education has been registered with the PDC dating to 2009.
- During the 2024 February Special Election, a 21-day pre-election C-4 report was due Jan. 23, 2024, that covered the reporting period from Dec. 1, 2023 – Jan. 22, 2024, and a 7-day pre-election C-4 was due Feb. 6, 2024, that covered the reporting period from Jan. 23 – Feb. 5, 2024
- On Jan. 24, 2024, PDC staff received a complaint filed by Conner Edwards alleging Central Valley Citizens for Education violated RCW 42.17A.235 and .240 by failing to timely and accurately file Monetary Contribution reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports), disclosing contributions and

expenditures undertaken by the Campaign as required by campaigns registered under the "Full Reporting" option. **[Exhibit 1]**

- On Jan. 25, 2024, PDC staff received a complaint filed by Dennis Reed alleging Central Valley Citizens for Education violated RCW 42.17A.235 and .240 by failing to timely and accurately file Monetary Contribution reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports), disclosing contributions and expenditures undertaken by the Campaign as required by campaigns registered under the "Full Reporting" option. **[Exhibit 1]**

- CVCE responded to the complaints Feb. 7, 2024 and April 16, 2024. **[Exhibit 2]**

- CVCE filed six reports for the 2024 Special Election, three C-3 reports and three C-4 reports.

- On a C-4 report filed Feb. 4, 2024 CVCE listed $41,636 cash received during the reporting period, with a Jan. 12 deposit of $41,636.13. However, there is no corresponding C-3 that shows a Jan. 12 deposit itemizing this contribution. **[Exhibit 3]**

- Staff contacted the Committee via email requesting additional information regarding the contributions. On April 16, 2024, the Committee responded and acknowledged the error, noting the contributions were likely payroll deductions from May 2021 through April 2024 and they are working to gather and file the required PDC reports.

- On March 29, 2024, PDC staff served the Committee by electronic mail, with a hearing notice for a Brief Adjudicative Proceeding to be held May 2, 2024, concerning alleged violations of RCW 42.17A.235 and .240 for failure to timely and accurately file Monetary Contribution reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports), disclosing contributions and expenditures undertaken by the Campaign as required by campaigns registered under the "Full Reporting" option.

Laws & Rules:

RCW 42.17A.235 and **RCW 42.17A.240** require candidates to file timely, accurate reports of contributions and expenditures. Under the "Full Reporting" option, until five months before the general election, C-3 and C-4 reports are required monthly when contributions exceed $200 since the last report; on the twenty-first day and the seventh day preceding the date of the primary and general election date; and on the tenth day of the first month after the primary and general election date.

Exhibit List:

- **Exhibit 1 –** Combined complaints for PDC Case 147918
- **Exhibit 2 –** Combined responses for PDC Case 147918
- **Exhibit 3 –** Initial C-4 for Central Valley Citizens for Education, listing cash received of $41,636.

Central Valley Citizens for Education replied Wed, 7 Feb 2024

In response to Case Number 147918, we recognize that the 21-day pre-election C4 was not filed by the required deadline. In addition, timely C3 reports were not filed. Our campaign committee has had a significant change in leadership recently and no one, unfortunately, had any experience in PDC reporting. It took some time to learn the registration and report filing process.

However, we are making every effort to have reports filed in a timely manner going forward in order to ensure that we are accountable to the public. Thank you for sending the 2024 Special Election Key Reporting Dates for our reference.

You will see both C3 and C4 reports have been filed and the next reports were due on February 6. These reports account for all contributions and expenditures to date. The required reports were filed on February 5, prior to the deadline. We appreciate the concern of voters wanting to analyze expenditures to ensure they are being spent according to state law. Please let us know if there are any other reports necessary to ensure that we are in compliance with the Public Disclosure Commission, as our goal is to be transparent with our voters.

Thank you for your understanding during this transition period. Let us know if there are any other questions or concerns we may address.

Central Valley Citizens for Education Committee

Miller, Lindsay replied Tue, 16 Apr 2024

Dear Washington Public Disclosure Commission,

We apologize for the lack of response and miscommunication. Our team has a meeting scheduled tomorrow to review what has been submitted to the PDC to date and determine what is missing. From our understanding, based on my conversation yesterday, we have not submitted the monthly payroll deductions from May 2021 until December 2023. We also believe that there may have been some donations submitted incorrectly that are not showing in the system.

We will work to get this submitted and resolved by April 25th to ensure all reports are complete. We will also provide a written description of the issues to provide clarity to the PDC and the presiding officer. We take this issue very seriously and will work to get this resolved to everyone's satisfaction.

Thank you, Lindsay Miller, Committee Chair

Miller, Lindsay replied Tue, 16 Apr 2024

In the conversation that I had yesterday it was mentioned that there is a group within the PDC that can assist with reporting questions. Would it be possible to get the contact information for someone on this team? As we work to get our reporting up to date we believe we are going to have ongoing questions to ensure we are doing this work correctly.

Thank you, Lindsay Miller, Committee Chair
